

# PICATINNY BASE STOCK - EGW STEEL PICATINNY RAIL BLANK 7.75"

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Build A Custom Base In Steel Or Aluminum; Pre-Cut Slots Speed The Job

Scope base stock is machined to MIL STD 1913 Picatinny dimensions for fabricating custom rifle or handgun optic bases. Pre-cut cross-slots speed the job and allow use of any Picatinny scope rings. Ideal for quickly building a versatile base for a gun with non-standard hole spacing, rather than drilling new holes in the receiver. Available in pre-hardened steel or aluminum, both with a matte black finish. Bottom of the base is flat, so it can be radius cut to fit any receiver contour.

## Attributes

- Name: [EGW STEEL PICATINNY RAIL BLANK 7.75"](#)
- Manufacturer: [EGW](#)
- Product no.: 296000144
- Mfr. No.: 89010

# Safety Instruction Guide for PICATINNY BASE STOCK EGW STEEL PICATINNY RAIL BLANK 7.75"

## Introduction

Thank you for choosing the PICATINNY BASE STOCK EGW STEEL PICATINNY RAIL BLANK 7.75". This product is designed to provide a reliable and versatile mounting solution for your rifle or handgun optics. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this manual.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms and accessories with care and follow all applicable laws and regulations.
- Inspect the product for any damage or defects before use. Do not use if any irregularities are found.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the Picatinny rail.
- Use only compatible scope rings and accessories that meet Picatinny specifications.
- Avoid overtightening screws and fasteners, as this may compromise the integrity of the rail or the firearm.
- Regularly check the mounting for signs of wear or loosening, especially after heavy use.
- Do not attempt to modify the Picatinny rail beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Align the Picatinny base with the existing holes on the firearm receiver.
- Use the precut crossslots for mounting compatibility with any Picatinny scope rings.
- Secure the base using appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the base is firmly attached and does not move when pressure is applied.

### 3. Usage

- Once installed, mount your scope or optic to the Picatinny rail using compatible rings.
- Ensure that the optic is securely fastened and aligned properly for optimal performance.

### 4. Maintenance

- Regularly inspect the rail and mounting hardware for any signs of wear or damage.
- Clean the rail and surrounding areas to prevent dirt and debris from affecting performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- If the product is damaged or no longer usable, ensure that it is disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the PICATINNY BASE STOCK EGW STEEL PICATINNY RAIL BLANK 7.75", please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
