

# PICATINNY BASE STOCK - EGW 7075-T6 ALUMINUM PICATINNY RAIL BLANK 7.75"

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Build A Custom Base In Steel Or Aluminum; Pre-Cut Slots Speed The Job

Scope base stock is machined to MIL STD 1913 Picatinny dimensions for fabricating custom rifle or handgun optic bases. Pre-cut cross-slots speed the job and allow use of any Picatinny scope rings. Ideal for quickly building a versatile base for a gun with non-standard hole spacing, rather than drilling new holes in the receiver. Available in pre-hardened steel or aluminum, both with a matte black finish. Bottom of the base is flat, so it can be radius cut to fit any receiver contour.

## Attributes

- Name: [EGW 7075-T6 ALUMINUM PICATINNY RAIL BLANK 7.75"](#)
- Manufacturer: [EGW](#)
- Product no.: 296000145

# Safety Instruction Guide for PICATINNY BASE STOCK EGW 7075T6 ALUMINUM PICATINNY RAIL BLANK 7.75"

## Introduction

Thank you for choosing the PICATINNY BASE STOCK EGW 7075T6 ALUMINUM PICATINNY RAIL BLANK. This guide provides essential safety instructions and information to ensure the safe use and installation of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to fabricate custom rifle or handgun optic bases.
- Always check for any visible damage to the product before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling this product to avoid injury.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

## Specific Safety Precautions for Use

- Handle the product with care to avoid any sharp edges that may cause cuts.
- Ensure that the base is securely attached to the firearm before use to prevent it from detaching during operation.
- Verify that the Picatinny scope rings used are compatible with the base.
- Regularly inspect the installation for any signs of wear or loosening, especially after heavy use.
- Do not modify the product in any way that could compromise its safety or integrity.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including appropriate screws and a screwdriver.
- Ensure you are working in a clean, dry area to prevent any foreign materials from interfering with the installation.

### 2. Installation Steps

- Place the Picatinny base on the desired location of the firearm receiver.
- Align the precut crossslots with the existing holes on the receiver.
- Secure the base using the appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the base is flat against the receiver and there are no gaps.

### 3. Usage

- Once installed, attach your desired optic using compatible Picatinny scope rings.
- Before using the firearm, ensure that all components are securely fastened and functioning correctly.
- Test the setup at a safe shooting range to ensure stability and performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life cycle, recycle it if possible, following local recycling guidelines.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Consult local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the PICATINNY BASE STOCK EGW 7075T6 ALUMINUM PICATINNY RAIL BLANK, please refer to your local authorized dealer or manufacturer. Always ensure you have the latest information and support regarding your product.

## **Conclusion**

By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and effective experience with your PICATINNY BASE STOCK. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important safety measures.
