

SAVAGE MARK II SCOPE BASES - EGW SAVAGE MARK II (1-3/8 EJECTION PORT) 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Savage Mark II with 1-3/8" Ejection Port Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

SAVAGE MARK II SCOPE BASES Safety Instruction Guide

Introduction

Thank you for choosing the EGW Savage Mark II Scope Bases. This guide provides essential safety instructions to ensure the safe use and installation of your scope base. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and associated equipment responsibly.
- Keep the scope base and all related components out of reach of children and unauthorized users.
- Regularly inspect the scope base for any signs of wear or damage before each use.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the firearm is unloaded before installation.
 - Use appropriate tools and follow installation instructions carefully.
- **Torque Specifications:**
 - Follow the recommended torque of 20 inch lbs when securing the scope base.
- **Loctite Usage:**
 - Apply a drop of blue loctite to screws to prevent loosening during use.
- **Weight Considerations:**
 - Be aware of the weight of the scope and accessories attached to the base, as excessive weight can affect firearm handling.
- **Vulnerable Groups:**
 - Ensure that this product is not used by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx® wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Locate the factory scope mount holes on the receiver of the firearm.
- Align the EGW Savage Mark II Scope Base with the factory holes.
- Insert the socket head Torx® screws through the base into the receiver.
- Tighten each screw to a torque of 20 inch lbs.
- Apply a drop of blue loctite to each screw to secure them in place.

3. PostInstallation Check:

- Inspect the installation to ensure it is secure.
- Check the alignment of the scope base and ensure it is level.

4. Usage:

- Attach your Picatinny or Weaver scope rings to the installed base.
- Adjust the scope for optimal eye relief and alignment.
- Regularly check the tightness of the screws during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any inquiries or further assistance regarding the EGW Savage Mark II Scope Bases, please reach out to your local authorized dealer or manufacturer contact point.

Thank you for your attention to these safety instructions. Enjoy the enhanced versatility and performance of your EGW Savage Mark II Scope Bases.
