

RUGER® NO.1® SCOPE BASES - EGW RUGER® NO.1 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Ruger No.1 Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite. This Picatinny scope mount fits the Ruger No. 1 B or 1 S rifles only and mounts flush on the stock recoil pins in the barrel. This base is NOT compatible with Ruger #3.

Add the versatility of a one-piece Picatinny scope rail to your rifle or shotgun with no drilling or tapping. Precision machined from extruded aluminum or hardened steel with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Some models available with 20 MOA built-in elevation to aid in long-range shooting without maxing out scope elevation adjustment. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved acc

Safety Instruction Guide for RUGER® NO.1® Scope Bases

Introduction

Thank you for choosing the EGW Ruger No.1 Heavy Duty Scope Bases. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model (Ruger No. 1 B or 1 S rifles only).
- Always handle firearms with care and keep them pointed in a safe direction.
- Use only the recommended scope rings (Picatinny or Weaver) to ensure compatibility.
- Do not exceed the recommended torque of 20 inch lbs when installing the scope bases.
- Regularly inspect the scope bases for wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Verify that the firearm is unloaded before installing or adjusting the scope bases.
- Avoid using the scope bases in extreme conditions (e.g., high humidity, extreme temperatures) that may affect performance.
- Be cautious of any sharp edges during installation to prevent injury.
- Ensure that the scope is securely mounted and that all screws are tightened properly prior to use.
- If you notice any unusual movement or looseness in the scope, stop using it immediately and check the installation.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a socket head Torx® wrench and blue loctite.
- Ensure that the firearm is unloaded and in a safe working environment.

2. Installation Steps

- Locate the factory scope mount holes on the gun's receiver.
- Align the EGW Ruger No.1 Scope Base with the mount holes.
- Insert the socket head Torx® screws into the base and tighten them by hand.
- Using the Torx® wrench, tighten the screws to a torque of 20 inch lbs.
- Apply a small drop of blue loctite to each screw to secure them in place.
- Ensure that the scope base is flush with the stock recoil pins in the barrel.

3. Usage

- After installation, mount your scope using compatible Picatinny or Weaver rings.
- Adjust the scope for eye relief and ensure it is securely fastened.
- Test the setup at a safe shooting range to confirm accuracy and stability.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in general household waste.

- Consider recycling the product to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the EGW Ruger No.1 Scope Bases, please refer to the manufacturer's website or contact customer support through the provided channels.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your EGW Ruger No.1 Scope Bases. Always prioritize safety and proper handling when using firearms and related accessories. Thank you for your attention to these important guidelines.
