

HOWA 1500/ VANGUARD SHORT ACTION STEEL HD SCOPE BASES - EGW HOWA 1500/WEATHERBY VANGUARD SA 0 MOA STEEL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Howa 1500/Weatherby Vanguard Short Action Heavy Duty Steel Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from hardened steel with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty (HD) mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid 4140 carbon steel pre-hardened to Rc 35-35 before machining. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

Attributes

- Name: [EGW HOWA 1500/WEATHERBY VANGUARD SA 0 MOA STEEL](#)

Safety Instruction Guide for EGW Howa 1500/Weatherby Vanguard Short Action Steel Scope Bases

Introduction

Thank you for choosing the EGW Howa 1500/Weatherby Vanguard Short Action Steel Scope Bases. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure that the scope bases are used in accordance with the instructions provided to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform for updates on your product.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety regulations as required by the EU.
- **Consumer Focus:** Extra care should be taken when the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please ensure to reach out to the designated EU contact for your product.
- **Rapid Alerts:** Be aware of the Safety Gate system that provides timely updates on unsafe products.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the installation is performed on a stable surface and that all tools are in good condition.
- **Torque Specifications:** Follow the recommended torque of 20 inch lbs when securing the scope bases to avoid damage.
- **Loctite Application:** Use a drop of blue loctite on screws to prevent loosening during use.
- **Inspection:** Regularly inspect the scope bases for any signs of wear, rust, or damage. Replace if necessary.
- **Handling:** Handle the product with care to avoid injuries. The edges may be sharp, and the material is heavyduty steel.
- **Weight Consideration:** The heavyduty design may add weight to your setup. Ensure your firearm can accommodate this weight safely.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools, including a socket head Torx® wrench and blue loctite.
2. **Check Compatibility:** Ensure that the scope bases are compatible with your Howa 1500 or Weatherby Vanguard Short Action rifle.
3. **Positioning:** Align the scope bases with the factory scope mount holes on the receiver.
4. **Drilling:** No drilling or tapping is required; simply position the bases over the existing holes.
5. **Securing the Bases:**
 - Insert the socket head Torx® screws into the provided holes.
 - Tighten the screws to a torque of 20 inch lbs.
 - Apply a drop of blue loctite on each screw to secure them in place.
6. **Scope Mounting:** Attach your Picatinny or Weaver scope rings to the scope bases, ensuring they are also tightened to the manufacturer's specifications.
7. **Final Check:** Once everything is installed, doublecheck all screws and fittings for security before use.

Disposal Instructions

- **Material Disposal:** Dispose of any packaging materials responsibly, following local recycling guidelines.
- **Product Disposal:** If the product is no longer needed, dispose of it in accordance with local waste management regulations. Do not dispose of in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the designated EU contact for your product.

Thank you for ensuring the safe use of your EGW Howa 1500/Weatherby Vanguard Short Action Steel Scope Bases. Enjoy your shooting experience responsibly!
