

# PICATINNY BASE STOCK - EGW 4140 CARBON STEEL PICATINNY RAIL BLANK 16

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Build A Custom Base In Steel Or Aluminum; Pre-Cut Slots Speed The Job

Scope base stock is machined to MIL STD 1913 Picatinny dimensions for fabricating custom rifle or handgun optic bases. Pre-cut cross-slots speed the job and allow use of any Picatinny scope rings. Ideal for quickly building a versatile base for a gun with non-standard hole spacing, rather than drilling new holes in the receiver. Available in pre-hardened steel or aluminum, both with a matte black finish. Bottom of the base is flat, so it can be radius cut to fit any receiver contour.

## Attributes

- Name: [EGW 4140 CARBON STEEL PICATINNY RAIL BLANK 16](#)
- Manufacturer: [EGW](#)
- Product no.: 296000273
- Mfr. No.: 89030
- Colour: Black
- Elevation: 0 MOA
- Make: -
- Material: Carbon Steel
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Delivery weight: 0.996kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 584mm
- UPC: 841370109708

# Safety Instruction Guide for PICATINNY BASE STOCK EGW 4140 CARBON STEEL PICATINNY RAIL BLANK 16

## Introduction

Thank you for choosing the PICATINNY BASE STOCK EGW 4140 CARBON STEEL PICATINNY RAIL BLANK 16. This product is designed for the fabrication of custom rifle or handgun optic bases. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of this product, including sharp edges and improper installation.
- Use the product only for its intended purpose: as a base for mounting optics on firearms.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on safety recalls and product information through official channels.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling or installing the Picatinny rail.
- Inspect the product for any damage before use. Do not use if the product is damaged or shows signs of wear.
- Ensure the firearm is unloaded before installing or adjusting the Picatinny base.
- Follow the manufacturer's specifications for installation to avoid improper mounting that could lead to accidents.
- Do not exceed the weight limit of the Picatinny rail when mounting optics or accessories.
- Be cautious of the sharp edges while handling the rail to prevent cuts or injuries.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench, appropriate screws, and any additional mounting hardware.
- Ensure the workspace is clean and free of distractions.

### 2. Installation:

- Place the Picatinny base on the firearm's receiver, aligning it with the existing holes.
- If the firearm has nonstandard hole spacing, ensure that the base is properly centered and leveled.
- Secure the base using the provided screws, tightening them to the manufacturer's recommended torque specifications.

### 3. Usage:

- After installation, check the stability of the mounted optics to ensure they are securely fastened.
- Perform a function check of the firearm to ensure that the installation does not interfere with its operation.
- Regularly inspect the mounted optics and the Picatinny base for any signs of loosening or damage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product reaches the end of its life or is no longer needed, ensure it is disposed of in an environmentally responsible manner, preferably through recycling programs for metals and plastics.

## **Contact Information for Further Support**

For any questions or concerns regarding the PICATINNY BASE STOCK EGW 4140 CARBON STEEL PICATINNY RAIL BLANK 16, please contact the manufacturer or authorized dealer. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of the PICATINNY BASE STOCK. Always prioritize safety and compliance with regulations when using firearms and related accessories.
