

BROWNING BAR/BLR LONG ACTION SCOPE BASES - EGW

BROWNING BAR/BLR LA 1-PIECE PICATINNY BASE 0 MOA BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Browning BAR/BLR Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Safety Instruction Guide for EGW Browning BAR/BLR Long Action Scope Bases

Introduction

Thank you for choosing the EGW Browning BAR/BLR Long Action Scope Bases. This guide provides essential safety instructions to ensure the proper use and installation of your new scope base. Please read this document carefully to maximize safety and performance.

General Safety Guidelines

- Ensure that all components of the scope base are intact and free from defects before installation.
- Always follow the manufacturer's recommendations for installation and usage.
- Keep the product away from children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the scope base for any signs of wear or damage.
- If you suspect that the product is unsafe or defective, discontinue use immediately and report the issue to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the EGW Browning BAR/BLR Long Action Scope Bases with compatible Browning BAR or BLR firearms.
- Ensure that the firearm is unloaded before installation.
- Use appropriate tools for installation to avoid damaging the product or firearm.
- Do not exceed the recommended torque specifications of 20 inch lbs when securing the base.
- Apply a drop of blue Loctite to the screws during installation to prevent loosening.
- Regularly check the tightness of the screws after installation, especially after the first few uses.
- Be aware of the weight of the scope you intend to mount, as excessive weight may affect the stability of the mount.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: socket head Torx® wrench and blue Loctite.

2. Installation Steps

- Locate the factory scope mount holes on the receiver of your Browning BAR or BLR.
- Align the EGW Picatinny base over the mount holes.
- Insert the socket head Torx® screws into the base and into the mount holes.
- Tighten screws gradually in a crisscross pattern to ensure even pressure.
- Use a torque wrench to tighten screws to the recommended 20 inch lbs.
- Apply a drop of blue Loctite to each screw to secure them in place.

3. PostInstallation Checks

- Inspect the installation to ensure no gaps exist between the base and the receiver.
- Verify that the base is securely attached before mounting your scope.

4. Using the Scope Base

- Attach your Picatinny or Weaver scope rings to the mounted base.
- Adjust the scope for proper eye relief and secure it according to the manufacturer's instructions.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer in use or is damaged beyond repair, dispose of it responsibly. Consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains components that can be harmful to the environment.

Contact Information for Further Support

For any inquiries or further assistance regarding the EGW Browning BAR/BLR Long Action Scope Bases, please consult your local retailer or the manufacturer's website for support options.

By following these safety instructions, you can help ensure the safe and effective use of your EGW Browning BAR/BLR Long Action Scope Bases. Thank you for your attention to safety and for choosing our product.
