

# CZ 452, 453, 455, 511 3/8" HD SCOPE BASES - EGW CZ 452, 453, 455, 511 3/8" DOVETAIL 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW CZ 452, 453, 455, 511 with 3/8" Dovetail Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

## Attributes

# Safety Instruction Guide for CZ 452, 453, 455, 511 3/8" HD Scope Bases

## Introduction

Thank you for choosing the EGW CZ 452, 453, 455, 511 3/8" Dovetail Heavy Duty Scope Bases. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the installation and usage of the scope bases comply with all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for signs of wear or damage.
- Do not exceed the recommended torque specifications during installation.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope bases.
- Use only compatible scope rings (Picatinny or Weaver) to ensure a secure fit.
- Avoid using excessive force when tightening screws to prevent damage to the scope bases or firearm.
- Be aware of the potential for recoil when using the firearm with the installed scope bases.
- If you experience any issues with the scope bases, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure the firearm is completely unloaded.

### 2. Installation:

- Locate the factory scope mount holes on the firearm's receiver.
- Align the scope bases over the mount holes, ensuring a proper fit.
- Insert the provided socket head Torx® screws into the mount holes.
- Tighten the screws to a torque of 20 inch lbs, using a drip of blue Loctite for added security.
- Verify that the bases are secure and do not move when tested.

### 3. Usage:

- Attach your preferred Picatinny or Weaver scope rings to the installed scope bases.
- Mount your scope following the manufacturer's instructions.
- Adjust the eye relief and scope position as needed for optimal viewing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Thank you for following these safety instructions. Enjoy your shooting experience responsibly and safely.
