

MOSSBERG MVP 5.56 SCOPE BASES - EGW MOSSBERG MVP 5.56 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. Our one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. We machine these in our shop using one of our machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability.

Attributes

- Name: [EGW MOSSBERG MVP 5.56 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000333
- Mfr. No.: 45600
- Color: Black
- Elevation: 0 MOA
- Make: Mossberg
- Model: MVP
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Delivery weight: 0.091kg

MOSSBERG MVP 5.56 SCOPE BASES Safety Instruction Guide

Introduction

Thank you for choosing the MOSSBERG MVP 5.56 Scope Bases manufactured by EGW. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your scope base. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users of the product are aware of the safety guidelines outlined in this document.
- Always follow local laws and regulations regarding firearms and accessories.
- Inspect the product regularly for any signs of wear or damage before each use.
- Store the scope bases in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before attaching or detaching the scope base.
- Use only compatible scope rings and accessories designed for Picatinny rails to avoid accidents.
- Ensure that the scope base is securely mounted before use to prevent any movement during operation.
- Do not exceed the manufacturer's recommended weight limits for mounted accessories.
- If you encounter any issues during installation or use, cease operation immediately and consult a qualified gunsmith or expert.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Gather all necessary tools, including a torque wrench, screwdriver, and compatible scope rings.
2. **Safety Check:** Verify that your firearm is unloaded and pointed in a safe direction.
3. **Positioning the Base:**
 - Align the scope base with the Picatinny rail on your firearm.
 - Ensure that the bevels on both sides of the mount are facing outward.
4. **Securing the Base:**
 - Using the appropriate screws, attach the scope base to the rail.
 - Ensure that the screws are tightened to the manufacturer's specifications using a torque wrench.
5. **Mounting the Scope:**
 - Attach the scope rings to the base, following the manufacturer's instructions for your specific scope.
 - Adjust the scope to your desired position and tighten the rings securely.

Usage Guidelines

- Regularly check the tightness of the scope base and rings during use.
- Avoid using excessive force when adjusting or tightening components to prevent damage.
- Use the mount only for its intended purpose as specified by the manufacturer.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not throw the product in regular household waste to ensure proper recycling and environmental safety.

Contact Information for Further Support

For any inquiries or safety concerns, please reach out to the designated EU contact point for product safety inquiries.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MOSSBERG MVP 5.56 Scope Bases. Always prioritize safety and compliance with local laws to enjoy your shooting activities responsibly. Thank you for your attention to these important safety measures.
