

# T/C VENTURE & COMPASS LONG ACTION SCOPE BASES - EGW T/C VENTURE & COMPASS LA 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Thompson Center Venture & Compass Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

# Safety Instruction Guide for T/C VENTURE & COMPASS LONG ACTION SCOPE BASES

## Introduction

Thank you for choosing the EGW Thompson Center Venture & Compass Long Action Scope Bases. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your scope bases. Please read this document carefully to understand how to properly handle and install your product.

## General Safety Guidelines

- Always follow the installation instructions provided with the product.
- Ensure that you are using the scope bases with compatible firearms only.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope bases for any signs of damage or wear before use.
- Do not modify or alter the scope bases in any way.
- If you notice any unusual sounds or movement while using the product, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the scope bases.
- Use caution when handling tools and screws during installation to avoid injury.
- Do not exceed the recommended torque of 20 inch lbs when mounting the scope bases.
- Always use a drip of blue Loctite on screws to prevent loosening during use.
- Be aware of your surroundings and ensure that the area is clear when using the firearm.
- If you are unfamiliar with firearm and scope installation, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx® wrench.
- Ensure your workspace is clean and free from obstructions.

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the factory scope mount holes on the receiver of your firearm.
- Align the EGW scope base with the mount holes.
- Insert the socket head Torx® screws into the base and the mount holes.
- Using the Torx® wrench, tighten the screws to a torque of 20 inch lbs.
- Apply a small drop of blue Loctite to each screw to secure them in place.

### 3. PostInstallation Check:

- After installation, check that the scope base is securely attached.
- Ensure there is no movement when applying pressure to the scope base.
- Confirm that the scope can be mounted securely and is level.

### 4. Usage:

- Once installed, you may attach your Picatinny or Weaver scope rings.

- Adjust your scope to the desired eye relief for optimal viewing.
- Regularly check the tightness of the screws before each use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product becomes damaged or is no longer in use, dispose of it in a manner that complies with local environmental regulations.
- Do not dispose of the product in fire, as it may cause harmful emissions.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the T/C Venture & Compass Long Action Scope Bases, please refer to the manufacturer's contact details provided with your product. Always ensure that you have the latest information regarding safety recalls or updates.

By following these guidelines, you can ensure the safe and effective use of your EGW Thompson Center Venture & Compass Long Action Scope Bases. Thank you for prioritizing safety in your shooting experience.
