

WINCHESTER 52 TARGET SCOPE BASES - EGW WINCHESTER 52 TARGET 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Winchester 52 Target Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

WINCHESTER 52 TARGET SCOPE BASES Safety Instruction Guide

Introduction

Thank you for choosing the EGW Winchester 52 Target Scope Bases. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope bases for any signs of wear or damage.
- In case of any malfunction or defect, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Do not exceed the recommended torque of 20 inch lbs when mounting the scope bases.
- Use a drip of blue loctite to secure the screws and prevent loosening during use.
- Ensure that the scope rings used are compatible with Picatinny or Weaver specifications.
- Avoid overtightening screws, as this may damage the product or the firearm.
- Always check that the scope is securely mounted before each use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a Torx® wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Locate the factory scope mount holes on the receiver of your Winchester 52.
- Align the EGW Winchester 52 Target Scope Bases with the factory holes.
- Insert the provided socket head Torx® screws into the holes.
- Tighten the screws to a torque of 20 inch lbs, using a drip of blue loctite on each screw to secure them.

3. Usage Steps

- Once installed, attach your scope to the Picatinny rail.
- Adjust the eye relief as needed for comfort and accuracy.
- Regularly check the tightness of the screws and the stability of the scope.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please consult the relevant local authorities or your point of purchase. Always ensure that you have the necessary information to report any unsafe products or accidents.

By following these guidelines, you can ensure the safe and effective use of your EGW Winchester 52 Target Scope Bases. Thank you for prioritizing safety!
