

1911 LONG SEAR - EGW 1911 LONG SEAR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sears](#)

Machined from: American-made tool steel and vacuum heat treated yielding 52-53 on the RC scale. This sear is machined a few thousandths longer than the standard EGW Hard Sear. This extra length allows the sear to be stoned to a predetermined length using a radial jig.

Safety Instruction Guide for 1911 LONG SEAR EGW

Introduction

Thank you for choosing the 1911 LONG SEAR by EGW. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper handling, installation, and disposal of this product.

General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your firearm before using the 1911 LONG SEAR.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the 1911 LONG SEAR in a secure location, away from children and unauthorized users.
- Regularly inspect the sear and your firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the 1911 LONG SEAR if you are unsure about its compatibility with your firearm model.
- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Use appropriate safety gear, such as eye protection, when working on your firearm.
- Follow all manufacturer guidelines for the installation and adjustment of the sear.
- Avoid using excessive force when installing or adjusting the sear to prevent damage.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a radial jig for stoning the sear.
- Read the installation instructions that come with your firearm.

2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sear from the firearm according to the manufacturer's instructions.
- Carefully install the 1911 LONG SEAR into the sear housing.
- Use the radial jig to stone the sear to the predetermined length if necessary.
- Reassemble the firearm following the manufacturer's guidelines.

3. Testing

- After installation, conduct a function check to ensure the sear operates correctly.
- Test the firearm in a safe and controlled environment to verify that it functions as intended.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.

Contact Information for Further Support

For any inquiries regarding the safety or use of the 1911 LONG SEAR, please consult your local firearms dealer or the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of your 1911 LONG SEAR. Thank you for your attention to safety and for choosing EGW.
