

# MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASES - EGW

## MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Machined From: Solid 7075 T6 Aircraft Grade Aluminum Finish: Matte Black  
Only Compatible with Picatinny or Weaver scope rings. Mounting Hardware:  
#6-48 X 1/4 Screws and T-10 Bit Included Torque Specs: 20 in/lbs Center  
Spread: 3.65" Overall Length of Mount: 6.670" This mount comes standard  
with a bevel on both sides making it ambidextrous. \*The center spread is the  
distance between the two middle holes, center to center, on your receiver.  
These bases sit at approximately 0.35" high. Picatinny cross slots run the full  
length of the rail, which gives the shooter flexibility when mounting scope  
rings and other accessories. The cross slots are also machined the full width of  
the mount and gauged to MIL-STD 1913 specs maintaining tolerances of +/-  
.002". After machining; the mounts are tumbled and sand blasted. The  
aluminum mounts are Type III hard coat anodized for long lasting durability.  
The steel rails are Mil Spec parkerized for a durable rust resistant finish.  
Compatible with Picatinny or Weaver scope rings. Add EGW's HD Scope Rings  
to make it a complete package! From manufacturing to packaging, EGW's  
products are made with pride in the USA. Installation: EGW recommends 20  
inch lbs of torque and a drip of blue loctite (loctite is available through our  
website and is sold separately).

# Safety Instruction Guide for MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASES

## Introduction

Thank you for choosing the MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASES. This guide contains important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Always inspect the product for any visible damage before use.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use compatible Picatinny or Weaver scope rings with this mount.
- Ensure that the mounting hardware is securely tightened to the recommended torque of 20 in/lbs.
- Use a drop of blue Loctite on screws to prevent loosening during use.
- Avoid overtorquing the screws, as this may damage the mount or the rifle.
- Always verify that the mount is properly installed and secure before using the firearm.
- If you are not familiar with installing rifle bases, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a T10 bit and a torque wrench.
- Ensure the rifle is unloaded and in a safe condition before beginning installation.

### 2. Mounting the Scope Base

- Align the mount with the holes on the receiver of the rifle.
- Insert the #648 x 1/4 screws into the mount holes.
- Using the T10 bit, tighten the screws to the recommended torque of 20 in/lbs.
- Apply a drop of blue Loctite to each screw to ensure they remain secure.

### 3. Checking Installation

- After installation, check that the mount is firmly attached to the rifle.
- Test the stability of the mount by applying gentle pressure to ensure there is no movement.

### 4. Using the Scope Base

- Attach compatible scope rings to the Picatinny cross slots.
- Adjust the scope as necessary for your shooting preferences.

## Disposal Instructions

- Dispose of packaging materials in accordance with local waste management regulations.

- If the product reaches the end of its life, dispose of it responsibly by taking it to a designated recycling facility or following local disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASES, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective experience with your MONTANA RIFLE 1999 SHORT ACTION HD SCOPE BASES. Thank you for your attention to safety.
