

MOSSBERG PATRIOT LONG ACTION PICATINNY SCOPE MOUNT - EGW MOSSBERG PATRIOT LA 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. Their one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). They recommend: 0 MOA - if shooting 0-500 yards 20 MOA - if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, they recommend zeroing at 200 yards. The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW MOSSBERG PATRIOT LA 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000628
- Mfr. No.: 45800

MOSSBERG PATRIOT LONG ACTION PICATINNY SCOPE MOUNT USER MANUAL

Introduction

Thank you for choosing the MOSSBERG PATRIOT LONG ACTION PICATINNY SCOPE MOUNT by EGW. This user manual provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm model before installation.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope mount for signs of wear or damage.
- Do not exceed the recommended torque specifications during installation.
- Dispose of packaging materials responsibly to avoid hazards.

Specific Safety Precautions for Use

- **Ambidextrous Design:** This mount is designed for ambidextrous use; however, ensure proper installation to avoid misalignment.
- **Iron Sights:** The mount is designed to not obstruct factory iron sights, but verify alignment before use.
- **Torque Specifications:** Use a torque wrench set to 20 inch lbs and apply a drip of blue Loctite to secure the screws. Loctite is sold separately.
- **Zeroing the Mount:** When using a 20 MOA mount, zero your rifle at 200 yards for optimal accuracy.
- **Environmental Conditions:** Avoid using the scope mount in extreme weather conditions without proper precautions.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench, screwdriver, and blue Loctite.
- Ensure that your workspace is clean and welllit.

2. Measuring Hole Spacing:

- Measure the hole spacing in your receiver to confirm compatibility with the dimensions published by EGW.

3. Installation Steps:

- Align the mount with the receiver, ensuring it sits flat against the surface.
- Insert the mounting screws through the mount into the receiver holes.
- Tighten the screws gradually, alternating between them to ensure even pressure.
- Use a torque wrench to tighten screws to 20 inch lbs.
- Apply a drip of blue Loctite to each screw to secure them.

4. Final Checks:

- Inspect the installation to ensure everything is aligned correctly.
- Confirm that the mount does not obstruct the use of factory iron sights.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and flexibility of your MOSSBERG PATRIOT LONG ACTION PICATINNY SCOPE MOUNT. Always prioritize safety when handling firearms and accessories.
