

# THOMPSON CENTER DIMENSION PICATINNY SCOPE MOUNT - EGW THOMPSON CENTER DIMENSION 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately).

## Attributes

- Name: [EGW THOMPSON CENTER DIMENSION 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000641
- Mfr. No.: 46950
- Action Type: Bolt Action
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: Dimension
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Thompson Center
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 229mm
- UPC: 841370113408

# Safety Instruction Guide for THOMPSON CENTER DIMENSION PICATINNY SCOPE MOUNT

## Introduction

Thank you for choosing the EGW Thompson Center Dimension 1Piece Picatinny Scope Mount. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure safe handling and use of the scope mount by following these guidelines:
  - Always verify that your firearm is unloaded before attaching or detaching the scope mount.
  - Use the scope mount only for its intended purpose as specified in this guide.
  - Keep the product away from children and unauthorized users.
  - Regularly inspect the scope mount for any signs of wear or damage before each use.
  - If you notice any defects or abnormalities, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
  - Always use the recommended torque settings (20 inch lbs) during installation to prevent damage.
  - Use blue Loctite as specified to secure screws; ensure it is applied correctly to avoid loosening during use.
  - Be cautious of sharp edges during installation; use protective gloves if necessary.
  - Ensure that the mount does not obstruct factory iron sights, if applicable.
  - Do not exceed the weight limits of the scope mount as specified in the product documentation.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the scope mount:

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and blue Loctite.
- Ensure your firearm is unloaded and in a safe position.

### 2. Measuring Hole Spacing:

- Measure the hole spacing in your receiver to confirm compatibility with the scope mount dimensions published by EGW.

### 3. Mounting the Scope:

- Align the scope mount with the predrilled holes on the receiver.
- Insert screws into the holes and handtighten them to hold the mount in place.

### 4. Applying Torque:

- Using a torque wrench, tighten the screws to the recommended torque of 20 inch lbs.
- Apply a small drop of blue Loctite on each screw before final tightening to ensure stability.

### 5. Final Inspection:

- Doublecheck that the mount is securely attached and that there are no loose parts.
- Ensure the mount does not obstruct any factory iron sights, if applicable.

## **Disposal Instructions**

- When disposing of the scope mount or any associated packaging materials:
  - Follow local regulations regarding the disposal of aluminum and other materials.
  - Do not burn or incinerate the product as it may release harmful substances.
  - Recycle materials wherever possible to minimize environmental impact.

## **Contact Information for Further Support**

- For any safety inquiries or further assistance regarding the scope mount, please refer to the contact details provided on the product packaging or the manufacturer's website.

Thank you for prioritizing safety and for choosing the EGW Thompson Center Dimension Picatinny Scope Mount. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
