

# S&W K, L, N FRAME SCOPE BASES - S&W K, L, N FRAME SCOPE MOUNT SILVER NO HOLES

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

EGW Smith & Wesson K,L, and N Frame Revolver Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your revolver with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to  $\pm 0.002$ ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [S&W K, L, N FRAME SCOPE MOUNT SILVER NO HOLES](#)

# S&W K, L, N FRAME SCOPE BASES Safety Instruction Guide

## Introduction

Thank you for purchasing the S&W K, L, N FRAME SCOPE BASES. This guide provides important safety information and instructions to ensure safe and proper use of your scope bases. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope bases for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installation.
- Use the recommended torque settings when securing the scope bases.
- Avoid overtightening the screws to prevent damage to the firearm or scope bases.

### • Usage Precautions:

- Regularly check the tightness of the scope rings and bases during use.
- Do not exceed the specified weight limit for the mounted scope.
- Be aware of the surrounding environment and potential hazards while using the firearm.

### • Storage Precautions:

- Store the firearm and scope bases in a cool, dry place.
- Avoid exposing the product to extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the factory scope mount holes on the gun's receiver.
- Align the scope base with the holes and insert the socket head Torx® screws.
- Use a torque wrench to tighten the screws to 20 inch lbs of torque.
- Apply a small drop of blue loctite to the screws before tightening to secure them.

### 2. Usage:

- After installation, mount your scope using Picatinny or Weaver scope rings.
- Adjust the eye relief as necessary for comfortable viewing.
- Regularly check the alignment and tightness of the scope during use.

### **3. Maintenance:**

- Periodically clean the scope bases with a soft, dry cloth.
- Inspect screws and bases for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Instead, take it to a designated waste disposal facility.
- Ensure that any packaging is recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the S&W K, L, N FRAME SCOPE BASES, please reach out to the appropriate EU contact point for safety inquiries.

Thank you for ensuring your safety and the safety of others while using the S&W K, L, N FRAME SCOPE BASES.
