# Safety Instruction Guide for KEYSTONE SERIES RINGS EGW 1" KEYSTONE RINGS .990" MEDIUM

## Introduction

Thank you for choosing the Keystone Series Rings by EGW. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the rings for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Keystone Series Rings with compatible scopes and mounts.
- Ensure that the rings are securely tightened to prevent any movement during use.
- Avoid overtightening the mounting hardware, as this may damage the rings or the scope.
- Do not modify the rings or use them in a manner not specified by the manufacturer.
- In case of any unusual sounds or movements during use, stop immediately and inspect the rings.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the workspace is clean and free of distractions.

### 2. Installation:

- Place the scope in the rings and position it to your desired eye relief.
- Align the rings on the base, ensuring they fit securely onto the picatinny or weaver rail.
- Insert the T15 mounting hardware and tighten it evenly on both sides. Use a torque wrench to ensure proper tension (refer to the manufacturer's specifications).
- Check the alignment of the scope and make any necessary adjustments before final tightening.

### 3. Usage:

- Once installed, conduct a thorough inspection to ensure everything is secure.
- Test the setup at the range to confirm stability and accuracy before relying on it in the field.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.
