Safety Instruction Guide for KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .850" LOW

Introduction

Thank you for choosing the KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .850" LOW. This guide provides essential safety instructions and best practices to ensure the safe use and installation of your scope rings. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- When using the scope rings, avoid exposing them to extreme temperatures or harsh environmental conditions.
- Follow all local regulations regarding the use of firearms and associated equipment.

Specific Safety Precautions for Use

- Always ensure that the scope is securely mounted and properly aligned before using the firearm.
- Do not exceed the manufacturer's recommended weight limits for the scope and accessories.
- Use appropriate tools for installation to avoid damage to the scope rings or the firearm.
- Ensure all mounting hardware is tightened to the manufacturer's specifications to prevent loosening during use.
- If you experience any issues with the scope rings, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Place the scope rings on the picatinny or weaverstyle rail of the firearm.
- Align the rings with the desired position for optimal eye relief and comfort.
- Secure the rings using the provided T15 mounting hardware. Tighten to the recommended torque settings.

3. Usage:

- After installation, check the alignment and stability of the scope.
- Make any necessary adjustments to ensure proper sighting.
- Regularly check the tightness of the mounting hardware during use.

4. Maintenance:

- Clean the scope rings with a soft cloth to remove dust and debris.
- Inspect the rings regularly for signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety or usage of the KEYSTONE SERIES RINGS, please refer to the manufacturer's website or contact their support team directly.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your KEYSTONE SERIES RINGS EGW 30MM KEYSTONE RINGS .850" LOW.
