Safety Instruction Guide for KEYSTONE SERIES RINGS EGW 34MM KEYSTONE RINGS 1.275" HIGH

Introduction

Thank you for choosing the Keystone Series Rings by EGW. These scope rings are designed to provide a reliable and versatile mounting solution for your optics. To ensure your safety and the safe use of this product, please follow the guidelines outlined in this instruction guide.

General Safety Guidelines

- Always inspect the product for any visible damage before use.
- Ensure that the scope rings are compatible with your scope and firearm.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when mounting the rings.
- Ensure the rings are securely fastened to prevent any movement during use.
- Avoid using the scope rings in extreme temperatures or harsh environments that may affect performance.
- Regularly check the integrity of the scope rings and the mounting system.
- Use caution when handling firearms and ensure they are unloaded when installing or adjusting the scope rings.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including T15 screwdriver and any additional tools required for your specific firearm.
- Ensure your workspace is clean and free from distractions.

2. Installation Steps

- Select the appropriate height for your scope tube (1", 30mm, or 34mm) and ensure you have the correct Keystone Rings.
- Position the rings on the picatinny or weaver rail, ensuring they are aligned and spaced correctly.
- Place the scope in the rings and adjust its position for optimal eye relief and comfort.
- Secure the ring caps using the T15 mounting hardware. Ensure they are tightened to the manufacturer's torque specifications.
- Doublecheck the alignment and tightness of all components before use.

3. Usage

- After installation, test the scope for proper functionality and alignment.
- Make adjustments as necessary to ensure accuracy and comfort during use.
- Always follow safe firearm handling practices when using your equipment.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal components.

Contact Information for Further Support

For any questions or concerns regarding the Keystone Series Rings, please refer to the manufacturer's website or contact your local dealer for assistance. It is important to have access to support for any safety inquiries or product information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Keystone Series Rings. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
