Safety Instruction Guide for KEYSTONE SERIES RINGS 34MM

Introduction

Thank you for choosing the Keystone Series Rings 34mm. These highquality scope rings are designed for safe and effective use with your scopes. This guide provides essential safety instructions and usage information to ensure your satisfaction and safety.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the rings are compatible with your scope and firearm.
- Inspect the rings for any damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope and accessories mounted on the rings.
- Ensure that the rings are securely fastened to prevent any movement during use.
- Avoid using the product in extreme environmental conditions that may affect its performance.
- Be cautious when handling sharp tools during installation.
- Always use the appropriate tools as specified in the installation instructions.

Instructions for Installation and Usage

1. Preparation

- Gather the following tools: T15 screwdriver and any additional tools required for your specific firearm.
- Ensure that your workspace is clean and free from distractions.

2. Installation Steps

- Remove any existing scope rings from your firearm.
- Place the Keystone Series Rings onto the picatinny or weaver rail, ensuring they are positioned correctly.
- Use the T15 mounting hardware to secure the ring caps. Tighten until snug, but avoid overtightening to prevent damage.
- For optimal alignment, place your scope into the rings and adjust as necessary.
- Once the scope is positioned, doublecheck all fasteners to ensure they are secure.

3. Usage

- Regularly inspect the scope rings for signs of wear or loosening during use.
- Adjust your scope as needed for accuracy and comfort, ensuring the rings remain secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; instead, consider recycling options where available.

- Ensure that any packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Keystone Series Rings, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your experience with the Keystone Series Rings 34mm!
