

# CZ 557 SHORT ACTION HD PICATINNY SCOPE MOUNT - EGW CZ 557 SA 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount is made specifically for the CZ 557 Short Action. Please check your ejection port opening to make sure this mount will correctly fit. The opening measures 2.675"". EGW has had some rifles with longer ejection ports that are short action. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Recommend: 0 MOA - if shooting 0-500 yards 20 MOA -if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, EGW recommends zeroing at 200 yards. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

## Attributes

- Name: [EGW CZ 557 SA 1-PIECE PICATINNY BASE 20 MOA](#)

# CZ 557 Short Action HD Picatinny Scope Mount Safety Instructions

## Introduction

Thank you for choosing the CZ 557 Short Action HD Picatinny Scope Mount by EGW. This product is designed for safe and effective use with your firearm. Please read this safety instruction guide carefully to ensure proper installation, usage, and maintenance.

## General Safety Guidelines

- Ensure that the mount is compatible with your specific CZ 557 Short Action model by checking your ejection port opening, which should measure 2.675 inches.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Store the mount and all firearm accessories in a secure location, away from children and unauthorized users.
- Inspect the mount regularly for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your firearm before installing the mount.
- Always use the recommended torque of 20 inch lbs when securing the mount to your firearm.
- A drop of blue Loctite is recommended to secure the screws; however, ensure that Loctite is applied correctly and does not interfere with the mount's operation.
- Be cautious when zeroing your rifle. If using a 20 MOA mount, it is recommended to zero at 200 yards.
- Use only Picatinny or Weaver scope rings that are compatible with this mount.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and the appropriate screws.
- Ensure your workspace is clean and free of distractions.

### 2. Installation:

- Check the ejection port opening to confirm compatibility.
- Align the mount with the mounting holes on your firearm.
- Insert the screws into the mounting holes and handtighten them.
- Use a torque wrench to tighten the screws to 20 inch lbs.
- Apply a drop of blue Loctite to secure the screws, if applicable.

### 3. Usage:

- Once installed, attach your scope rings and scope as per the manufacturer's instructions.
- Regularly check the mount and accessories for tightness and integrity before each use.

## Disposal Instructions

- Dispose of the product and packaging in accordance with local regulations.
- Do not dispose of in household waste. Check for recycling options or designated disposal sites for aluminum and other materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience with the CZ 557 Short Action HD Picatinny Scope Mount.
