

WINCHESTER 88, 100 SCOPE BASES - EGW WINCHESTER 88, 100 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Winchester 88, 100 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Safety Instruction Guide for WINCHESTER 88, 100 Scope Bases

Introduction

Thank you for choosing the EGW Winchester 88, 100 Scope Bases. This product is designed to enhance the versatility of your shotgun by providing a one-piece Picatinny scope rail. It is important to follow all safety guidelines and instructions to ensure safe use and optimal performance.

General Safety Guidelines

- Ensure that all nonfood products, including this scope base, are used according to the manufacturer's instructions.
- Be aware of potential risks associated with the use of firearm accessories.
- Always store this product in a safe place, away from children and unauthorized users.
- Regularly inspect the scope base for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always ensure your shotgun is unloaded before installing or adjusting the scope base.
- Use appropriate tools when installing the scope base to avoid injury or damage.
- Follow the recommended torque specifications (20 inch lbs) when mounting the scope base.
- Apply a drip of blue loctite to the screws to secure them properly.
- Only use Picatinny or Weaver scope rings that are compatible with the scope base.
- Be cautious when adjusting the eye relief to avoid improper alignment that could lead to accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure your shotgun is unloaded and in a safe working environment.
- Gather all necessary tools, including a Torx® wrench.

2. Installation Steps:

- Locate the factory scope mount holes on the receiver of your shotgun.
- Align the EGW Winchester 88, 100 Scope Base with the mount holes.
- Insert the socket head Torx® screws into the mount holes.
- Use the Torx® wrench to tighten the screws to the recommended torque of 20 inch lbs.
- Apply a drip of blue loctite to the screws to ensure they remain secure.

3. Mounting the Scope:

- Select compatible Picatinny or Weaver scope rings.
- Attach the scope to the rings according to the manufacturer's instructions.
- Adjust the eye relief as needed for comfortable viewing.

4. Final Checks:

- Inspect the installation to ensure everything is secure.
- Test the scope for proper alignment and functionality before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for aluminum components if available in your area.

Contact Information for Further Support

For any safety inquiries or further support regarding the EGW Winchester 88, 100 Scope Bases, please refer to the manufacturer's contact information provided with your product.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of the EGW Winchester 88, 100 Scope Bases. Always prioritize safety and seek professional assistance if you have any doubts or concerns.
