

# 1911 ANGLE BORED BUSHING - EGW WCPI S/S GUNSMITH FIT BUSHING, GOVT.

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Bushings](#)

## Pre-Machined With The Proper Lockup Angle; Pre-Fit & Gunsmith Fit

Less time-consuming fitting because the proper lockup angle is pre-machined right into the bushing. Pre-Fit requires only minor fitting for installation onto Colt factory barrels. Gunsmith Fit requires fitting of both dimensions.

## Attributes

- Name: [EGW WCPI S/S GUNSMITH FIT BUSHING, GOVT.](#)
- Manufacturer: [EGW](#)
- Product no.: 296410111
- Mfr. No.: 14112B

# Safety Instruction Guide for 1911 ANGLE BORED BUSHING EGW WCPI S/S GUNSMITH FIT BUSHING, GOVT.

## Introduction

Thank you for choosing the 1911 Angle Bored Bushing EGW WCPI S/S Gunsmith Fit Bushing, Government model. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product is designed to enhance the performance of your firearm while ensuring safe use. Always follow safety protocols when handling firearms.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. You can check the EU Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure the platform complies with safety requirements equivalent to physical stores.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who may not understand firearm safety.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for guidance.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on product safety.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling or installing the bushing.
- **Firearm Safety:** Ensure that the firearm is unloaded and the chamber is clear before beginning any installation or fitting procedures.
- **Workspace:** Work in a clean, welllit area free from distractions to minimize the risk of accidents.
- **Inspection:** Regularly inspect the bushing for any signs of wear or damage. Do not use if any defects are found.
- **Compatibility:** Verify that the bushing is compatible with your specific firearm model before installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a fitting tool if required.

### 2. Installation:

- For **PreFit** installation:
  - Measure the Colt factory barrel to ensure compatibility.
  - The PreFit bushing has an outer diameter (O.D.) of .702" (17.8mm) and an inner diameter (I.D.) of .580" (14.7mm).
  - Minor fitting may be necessary; ensure a snug fit for optimal performance.
- For **Gunsmith Fit** installation:

- Measure both dimensions of the firearm's barrel to ensure proper fitting.
- The Gunsmith Fit bushing has an O.D. of .702" and an I.D. of .574" (14.6mm).
- Professional fitting may be required to ensure safety and performance.

### 3. **Usage:**

- After installation, test the firearm to ensure proper function.
- Regularly check the bushing for wear and ensure it remains securely fitted.

### 4. **Maintenance:**

- Clean the bushing and surrounding areas regularly to prevent buildup of debris.
- Lubricate as necessary according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings according to local regulations for hazardous materials.
- Do not throw the product in regular trash; check for designated disposal sites for firearm accessories.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Angle Bored Bushing, please refer to the designated EU contact point for assistance.

By following these guidelines, you can ensure safe and effective use of your 1911 Angle Bored Bushing. Thank you for prioritizing safety and compliance.
