TRIGGER GUARD RETAINING PIN Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGER GUARD RETAINING PIN for your Benelli Centro or Sport model. This safety instruction guide is designed to provide you with essential information for the safe use, installation, and disposal of the product, ensuring compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is compatible with your specific model (Benelli Centro or Sport) before use.
- Always handle the retaining pin with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for signs of wear or damage before use.
- In the event of any malfunction or if the product appears unsafe, cease use immediately and consult a professional.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the retaining pin only for its intended purpose as specified in the product instructions.
- Avoid using excessive force when installing or removing the retaining pin.
- Ensure that the trigger guard is properly secured after installation to prevent accidental discharge.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- If you experience difficulty during installation or usage, do not hesitate to seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you are in a welllit workspace.
- Review the product and ensure you have the correct retaining pin for your model.

2. Installation:

- Align the retaining pin with the designated holes on the trigger guard.
- Gently insert the pin into the hole, ensuring it is seated properly.
- If resistance is met, do not force the pin; check alignment and retry.
- Once installed, verify that the pin is secure and does not move freely.

3. Usage:

- After installation, conduct a safety check to ensure the trigger guard is functioning correctly.
- Handle your firearm responsibly and in accordance with all local laws and regulations.

4. PostUse:

- After use, inspect the retaining pin and trigger guard for any signs of damage or wear.
- If any issues are identified, replace the retaining pin immediately.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it is deemed unsafe or damaged.
- Consider recycling options for metal components if applicable.

Contact Information for Further Support

For any inquiries regarding the TRIGGER GUARD RETAINING PIN, including safety concerns or product support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Always prioritize safety when handling firearms and their components.
