RECOIL SPRING, STANDARD, AFTER S/N M293830

Safety Instruction Guide

Introduction

Thank you for choosing the RECOIL SPRING, STANDARD, AFTER S/N M293830 by Benelli U.S.A. This safety instruction guide provides essential information to ensure the safe use of this product. Please read this guide carefully before installation and usage to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is compatible with your firearm model (Super 90) and that it is used according to the manufacturer's specifications.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Keep the recoil spring out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the recoil spring for signs of wear or damage. Do not use a damaged recoil spring.
- Store the recoil spring in a cool, dry place away from direct sunlight and extreme temperatures.
- Report any unsafe products or incidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the recoil spring in any way.
- Ensure that the firearm is unloaded before attempting to install or remove the recoil spring.
- Follow the manufacturer's instructions for the installation and usage of the recoil spring to avoid malfunctions or accidents.
- If you experience any irregularities during use, cease operation immediately and consult a qualified gunsmith.
- Always handle firearms responsibly and in accordance with local laws and regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools and equipment for installation.

2. Installation:

- Remove the existing recoil spring from the firearm, if applicable.
- Carefully install the new recoil spring, ensuring it is seated properly within the firearm's mechanism.
- Doublecheck that all components are secure and correctly positioned before reassembling the firearm.

3. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly with the new recoil spring.
- Follow the manufacturer's guidelines on the number of rounds to fire during initial testing.
- Regularly clean and maintain the recoil spring as part of your firearm maintenance routine.

Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- If the recoil spring is damaged or no longer usable, do not attempt to repair it. Instead, recycle or dispose of it responsibly.
- Consult local waste management authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For any questions or concerns regarding the RECOIL SPRING, STANDARD, AFTER S/N M293830, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details and any relevant information ready when seeking assistance.

By following these guidelines, you can help ensure your safety and the safe operation of your firearm. Thank you for your attention to these important safety instructions.
