Safety Instruction Guide for FLAT SPRING, FOREND, AFTER S/N M096546

Introduction

Thank you for purchasing the FLAT SPRING, FOREND, AFTER S/N M096546 from Benelli U.S.A. This guide provides essential safety information and instructions to ensure the safe use and handling of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and their components.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling the product.
- Ensure that the firearm is unloaded before installing or replacing the flat spring.
- Do not attempt to modify or alter the product in any way.
- Use only replacement parts that are compatible with the Super 90 model.
- Be aware of your surroundings when using the product, especially in crowded or confined spaces.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the forend from the firearm by following the manufacturer's instructions.
- Carefully remove the old flat spring from the forend.
- Install the new flat spring by aligning it with the designated slots in the forend.
- Reattach the forend to the firearm, ensuring it is secured properly.

2. Usage Instructions:

- After installation, perform a function check to ensure the firearm operates correctly.
- Store the firearm in a secure location when not in use.
- Regularly clean and maintain the firearm and its components, including the flat spring, to ensure optimal performance.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not throw away the product in regular household waste. Consult local guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product-related issues, please refer to the manufacturer's website or

contact your local authorized dealer.

Note: This guide is intended to provide general safety information and does not cover every possible scenario. Always prioritize safety and consult professionals if you have any doubts or questions regarding the use of this product.
