GAS PLUG ORING BENELLI U.S.A. GAS PLUG ORING M4 Safety Instructions

Introduction

Thank you for choosing the GAS PLUG ORING for your Benelli M4. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the product is compatible with your firearm model.
- Regularly inspect the ORing for wear and tear; replace if damaged.
- Store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and unauthorized users.
- Report any unsafe product conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with Benelli M4 firearms to avoid malfunction.
- Do not attempt to modify or alter the ORing.
- Ensure the ORing is properly seated in its designated place before use.
- Avoid using the product if it shows signs of damage or excessive wear.
- If you experience any issues while using the product, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing gas plug ORing from the firearm.
- Clean the area where the ORing will be installed to ensure a proper seal.
- Carefully place the new GAS PLUG ORING onto the gas plug.
- Ensure it is seated evenly and securely.

2. Usage:

- Regularly check the ORing for proper fit and condition during use.
- If the ORing appears worn or damaged, replace it immediately.
- Follow the manufacturer's instructions for your firearm regarding gas plug maintenance.

Disposal Instructions

- Dispose of the ORing in accordance with local regulations.
- Do not dispose of the ORing in recycling bins unless specified as recyclable.
- Ensure the product is completely out of reach of children during disposal.
