SPRING WASHER BENELLI U.S.A. SPRING WASHER SUPER 90 Safety Instruction Guide

Introduction

Thank you for choosing the SPRING WASHER BENELLI U.S.A. SPRING WASHER SUPER 90. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before using the product to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local regulations and safety standards when using this product.
- In case of an emergency or if you suspect the product is unsafe, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Use protective gear, such as gloves and safety glasses, when handling the spring washer to prevent injuries.
- Avoid using excessive force during installation or removal to prevent breakage or personal injury.
- Never modify the spring washer or use it in a manner not intended by the manufacturer.
- Ensure that all tools used during installation are in good condition and appropriate for the task.
- Be cautious of sharp edges when handling the spring washer.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety gear before beginning installation.
- Ensure that the work area is clean and welllit.

2. Installation Steps:

- Identify the correct location for the spring washer according to the manufacturer's specifications.
- Align the spring washer properly with the corresponding components.
- Gently press or place the spring washer into position, ensuring it fits securely.
- If applicable, use the appropriate fasteners to secure the spring washer in place, following the manufacturer's torque specifications.

3. PostInstallation:

- Inspect the installed spring washer to ensure it is correctly positioned and secure.
- Conduct a test to verify that the assembly functions as intended without any unusual noises or movements.

Disposal Instructions

- Dispose of the spring washer in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the SPRING WASHER BENELLI U.S.A. SPRING WASHER SUPER 90, please contact your local distributor or refer to the manufacturer's website for support.

By following these safety instructions, you can help ensure a safe and effective experience with your SPRING WASHER BENELLI U.S.A. SPRING WASHER SUPER 90. Thank you for your attention to safety.
