

# SCRAPERS - JERRY FISHER SMALL FISHER SCRAPER

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Wood Scrapers](#)

## Used For Over 20 Years By One Of The Best

Famous stockmaker Jerry Fisher says: "In 20 years of stockmaking this is the best inletting scraper I have ever used, and I have tried a few. Just hold like a pencil and work from right to left, or left to right, depending on the direction of the wood grain." Precision-ground from tough alloy tool steel, sharpened and ready to use. Instructions included. Three tools, each with two different sized heads. Measurements given are cutting head sizes.

## Safety Instructions

### Introduction

Thank you for choosing the SCRAPERS JERRY FISHER SMALL FISHER SCRAPER. This product has been designed with your safety in mind. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the scraper.

### General Safety Guidelines

- Always handle tools with care to prevent accidents.
- Ensure that the working area is clean and free from hazards.
- Keep tools out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles while using the scraper.
- Always inspect the scraper before use for any signs of damage or wear.
- Follow all instructions provided for safe use and maintenance.

### Specific Safety Precautions for Use

- Use the scraper only for its intended purpose as described in the product text.
- Do not apply excessive force while scraping; let the tool do the work.
- Always hold the scraper securely with a proper grip, as if holding a pencil, to maintain control.
- Work in the direction of the wood grain to avoid splintering and ensure a clean cut.
- Do not use the scraper on materials other than wood, as this may cause damage to the tool or result in injury.
- If the scraper becomes dull, sharpen it before further use to maintain effectiveness and safety.
- In case of any injury or discomfort while using the scraper, discontinue use immediately and seek medical advice if necessary.

### Instructions for Installation and Usage

#### 1. Preparation:

- Before using the scraper, ensure that the work area is welllit and free from distractions.
- Gather all necessary materials and tools needed for your project.

#### 2. Choosing the Right Head:

- Select the appropriate cutting head size based on your project requirements. The SCRAPERS JERRY FISHER SMALL FISHER SCRAPER includes:
  - Large: 1" (2.5cm) and ¾" (19.0mm)
  - Small: 5/8" (15.9mm) and ½" (12.7mm)
  - Octagon: 1" (2.5cm) and 11/16" (17.5mm)

#### 3. Using the Scraper:

- Hold the scraper firmly with one hand and position the cutting head against the wood surface.
- Begin scraping in a smooth motion, either from right to left or left to right, depending on the wood grain direction.
- Apply gentle pressure and let the tool do the work for optimal results.

#### **4. PostUse Care:**

- After use, clean the scraper to remove any wood shavings or debris.
- Store the scraper in a safe place, away from children and pets, preferably in a protective case or pouch.

## **Disposal Instructions**

- Dispose of the scraper responsibly at your local recycling center or waste disposal facility.
- Follow local regulations regarding the disposal of metal tools and equipment.
- Do not throw the scraper in regular household waste to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SCRAPERS JERRY FISHER SMALL FISHER SCRAPER, please refer to the contact information provided on the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the SCRAPERS JERRY FISHER SMALL FISHER SCRAPER. Always prioritize safety and proper handling to enjoy your woodworking projects. Thank you for your attention to these guidelines.
