

SCRAPERS - JERRY FISHER OCTAGON FISHER SCRAPER

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Wood Scrapers](#)

Used For Over 20 Years By One Of The Best

Famous stockmaker Jerry Fisher says: "In 20 years of stockmaking this is the best inletting scraper I have ever used, and I have tried a few. Just hold like a pencil and work from right to left, or left to right, depending on the direction of the wood grain." Precision-ground from tough alloy tool steel, sharpened and ready to use. Instructions included. Three tools, each with two different sized heads. Measurements given are cutting head sizes.

Safety Instruction Guide for SCRAPERS JERRY FISHER OCTAGON FISHER SCRAPER

Introduction

Thank you for choosing the SCRAPERS JERRY FISHER OCTAGON FISHER SCRAPER. This guide provides important safety information and instructions for the safe use of this product. Please read this guide carefully before using the scraper to ensure a safe and effective experience.

General Safety Guidelines

- Ensure that the scraper is used only for its intended purpose, which is inletting and shaping wood.
- Always inspect the scraper for any damage or defects before use. Do not use if damaged.
- Store the scraper in a safe place away from children and vulnerable individuals.
- Keep the scraper clean and wellmaintained to ensure optimal performance and safety.
- Be aware of your surroundings when using the scraper to avoid accidents and injuries.

Specific Safety Precautions for Use

- Always use the scraper with a firm grip to maintain control.
- Work from right to left or left to right, depending on the direction of the wood grain.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, to protect yourself from wood shavings and potential injuries.
- Avoid applying excessive force while using the scraper; let the tool do the work.
- Do not use the scraper on materials other than wood, as this may cause damage to the tool and result in injury.
- Keep hands and fingers clear of the cutting area to prevent accidental cuts or injuries.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and welllit.
- Gather all necessary materials and tools before starting.

2. Using the Scraper:

- Hold the scraper like a pencil for better control.
- Choose the appropriate head size for your task:
 - Large: 1" (2.5cm) and ¾" (19.0mm)
 - Small: 5/8" (15.9mm) and ½" (12.7mm)
 - Octagon: 1" (2.5cm) and 11/16" (17.5mm)
- Start scraping gently along the wood grain, applying light pressure.
- Adjust your grip as necessary for comfort and control.

3. After Use:

- Clean the scraper with a dry cloth to remove any wood shavings or debris.
- Store the scraper in a safe place, out of reach of children.

Disposal Instructions

- When the scraper is no longer usable or needed, dispose of it responsibly.
- Check local regulations for the proper disposal of metal tools.
- If the scraper is broken or damaged, ensure that it is disposed of in a way that prevents injury to others.

Contact Information for Further Support

For any safety inquiries or support regarding the SCRAPERS JERRY FISHER OCTAGON FISHER SCRAPER, please refer to the product packaging or visit the manufacturer's website. It is important to have access to a contact point for any safetyrelated questions or concerns.

By following these safety instructions, you can ensure a safe and effective experience with your SCRAPERS JERRY FISHER OCTAGON FISHER SCRAPER. Always prioritize safety and proper usage to enhance your woodworking projects. Thank you for your attention to these important guidelines.
