Safety Instruction Guide for LIQUID POLISH 100 ML FLITZ LIQUID

Introduction

Thank you for choosing FLITZ LIQUID POLISH. This product is designed to provide excellent polishing results for a variety of surfaces. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use this product in a wellventilated area.
- Keep the product out of reach of children and pets.
- Do not ingest. This product is not intended for consumption.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Use personal protective equipment such as gloves and safety goggles if necessary.
- Do not mix with other chemicals or products unless specified.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Check for any recalls or safety alerts related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure surfaces to be polished are clean and dry before application.
- Shake the bottle well before use to ensure proper mixing of ingredients.
- Apply a small amount of LIQUID POLISH to a clean cloth or applicator pad.
- Test on an inconspicuous area before applying to the entire surface.
- Avoid using on surfaces that may be damaged by polishing compounds, such as soft plastics or untreated wood.
- Do not use on hot surfaces or when the product is exposed to heat.
- Follow manufacturer instructions for the specific surfaces you intend to polish.

Instructions for Installation and Usage

1. Preparation:

- Identify the surface to be polished.
- Clean the surface with a suitable cleaner to remove dirt and debris.
- Ensure the area is wellventilated.

2. Application:

- Shake the LIQUID POLISH bottle well.
- Apply a small amount of polish to a clean, soft cloth.
- Gently rub the polish onto the surface in a circular motion.
- Allow the polish to dry according to the product instructions.

3. Finishing:

- Buff the surface with a clean cloth to achieve a shine.
- Dispose of any used cloths responsibly.

Disposal Instructions

- Dispose of empty containers and any unused product in accordance with local regulations.
- Do not pour excess product down the drain or into the environment.
- Check for specific disposal instructions on the product label.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of LIQUID POLISH, please contact the manufacturer directly. Ensure to have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and effective experience with LIQUID POLISH 100 ML FLITZ LIQUID.
