## **Gold Powder In An Easy-To-Use Kit**

**FORSTER BONANZA BRUSHING INLAY KIT & COMPONENTS** The Forster Bonanza Brushing Inlay Kit is a do-it-yourself solution designed to fill engravings and lettering on firearms with an attractive gold-colored inlay, providing a personalized and enhanced appearance to production guns. Description and Features: This comprehensive kit includes gold powder, a liquid base, cleaner, three 2-inch diameter cloths, and detailed instructions, supplying all necessary components to achieve a professional-looking inlay. The process is straightforward: apply the gold powder mixed with the liquid base into the desired engraving or lettering, clean the excess with the provided cleaner and cloths, and allow it to set, resulting in a durable and visually appealing finish. The kit contains enough gold powder to complete multiple projects, making it a cost-effective choice for enhancing several firearms. Specifications: Contents in Kit: Gold powder Liquid base Cleaner Three 2-inch diameter cloths Complete instructions Components- Sold

Separately Customer Insights: Customers of the Forster Bonanza Brushing Inlay Kit have reported that it is extremely easy to use, with a little product going a very long way. One customer mentioned that they were able to inlay over ten firearms with the small package, highlighting its efficiency and value.

Incorporating the Forster Bonanza Brushing Inlay Kit into your gunsmithing projects allows for a personalized and professional finish, enhancing the aesthetic appeal of your firearms with a durable gold-colored inlay.

**IMPORTANT** - Do not use on firearms that have a duty finish.

# Forster Bonanza Brushing Inlay Kit Safety Instructions

## Introduction

Thank you for choosing the Forster Bonanza Brushing Inlay Kit. This kit is designed to enhance the appearance of firearms by filling engravings and lettering with a goldcolored inlay. It is important to follow safety guidelines to ensure safe and effective use of this product.

## General Safety Guidelines

- Always read and understand all instructions before using this product.
- Keep the kit out of reach of children and pets.
- Ensure adequate ventilation when using the liquid base and cleaner.
- Do not use this product on firearms that have a duty finish.
- Store the kit in a cool, dry place, away from direct sunlight and heat sources.
- Dispose of any unused product and packaging according to local regulations.

## Specific Safety Precautions for Use

- Wear protective gloves and safety goggles during application to avoid skin and eye contact with the gold powder and liquid base.
- Avoid inhaling dust from the gold powder. Use a mask if necessary.
- Do not ingest any components of the kit.
- If contact occurs with skin or eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Ensure that the surfaces to be inlaid are clean and free of oils or residues before application.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a wellventilated area.
- Gather all components: gold powder, liquid base, cleaner, and cloths.
- Read the complete instructions included in the kit.

### 2. Mixing:

- In a clean container, mix the gold powder with the liquid base according to the instructions provided.
- Stir thoroughly to achieve a consistent mixture.

### 3. Application:

- Using a suitable applicator, carefully apply the mixed gold powder into the desired engraving or lettering on the firearm.
- Ensure even coverage and fill all areas completely.

### 4. Cleaning Excess:

- After application, use the provided cleaner and cloths to remove any excess material from the surface.
- Be gentle to avoid removing the inlay from the engraving.

## 5. **Setting:**

- Allow the inlay to set as per the instructions provided in the kit.
- Do not touch or disturb the area until fully cured.

## 6. **Final Inspection:**

- Once set, inspect the inlaid area for any imperfections and clean as necessary.

## **Disposal Instructions**

- Dispose of any leftover gold powder and liquid base in accordance with local hazardous waste disposal regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Forster Bonanza Brushing Inlay Kit, please consult the product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a successful and safe experience using the Forster Bonanza Brushing Inlay Kit. Thank you for your attention to safety, and enjoy your gunsmithing projects!
