# Inletting Guide Screws Safety Instruction Guide

## Introduction

Thank you for choosing the Inletting Guide Screws from Forster Products, Inc. This product is designed to assist in the installation and removal of barreled actions in various rifle stocks. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the Inletting Guide Screws.
- Always use the product as intended to avoid accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use protective eyewear when handling and working with the Inletting Guide Screws to prevent eye injury.
- Always ensure that the rifle is unloaded before attempting to install or remove the barreled action.
- Avoid using excessive force when inserting or removing the screws to prevent stripping the threads or damaging the stock.
- Do not modify the Inletting Guide Screws in any way, as this could compromise their safety and effectiveness.
- If you experience difficulty with the screws, stop using them and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation

- Align the barreled action with the stock.
- Insert the Inletting Guide Screws into the designated holes.
- Gently turn the screws clockwise until they are secure, but do not overtighten.

### 3. Removal

- To remove the barreled action, simply reverse the installation process.
- Unscrew the Inletting Guide Screws counterclockwise until they are free.
- Carefully lift the barreled action out of the stock.

### 4. PostUse Inspection

- After each use, inspect the Inletting Guide Screws for any signs of wear or damage.
- Store the screws in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of the Inletting Guide Screws in accordance with local regulations for metal waste.

- Do not dispose of in regular household waste.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please contact the manufacturer directly. Ensure you have your product details ready for assistance.

Thank you for prioritizing safety while using the Inletting Guide Screws. Your adherence to these guidelines helps ensure a safe and effective experience.
