

SATIN-GLO POLISHING COMPOUND - 220 FORMAX SATIN-GLO

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

Greaseless Compound For Effortless Polishing

Loads quickly and produces a smooth, great looking finish without a lot of hard work. Uniform, aluminum oxide abrasive in a water-soluble, glue base removes machine marks, pits, and surface imperfections in all types of steel, leaves the parts clean, dry, and ready to complete your favorite finish. Conveniently packed in three pound, re-sealable tubes. For best results, store unused portions of tubes in the refrigerator.

SATINGLO POLISHING COMPOUND 220 FORMAX

Safety Instruction Guide

Introduction

Thank you for choosing SATINGLO POLISHING COMPOUND 220 FORMAX. This product is designed to deliver a smooth, highquality finish on various types of steel surfaces. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product is intended for nonfood use only. Ensure it is kept away from children and pets.
- **Hazard Identification:** Potential hazards include skin irritation and inhalation of dust during use. Always handle with care.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** Ensure you purchase this product from reputable sources that comply with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety goggles to protect your eyes.
 - Use gloves to prevent skin contact.
 - Consider wearing a dust mask to avoid inhaling particles.
- **Ventilation:**
 - Ensure the workspace is wellventilated to minimize inhalation risks.
- **Storage:**
 - Store unused portions in a cool, dry place, preferably the refrigerator, to maintain product efficacy.
- **Avoid Contact:**
 - Do not apply the product to any surfaces that may come into contact with food.
- **Keep Out of Reach:**
 - Store the product out of reach of children and pets.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be polished is clean and dry.
- Gather all necessary tools and PPE before starting.

2. Application:

- Squeeze a small amount of SATINGLO POLISHING COMPOUND onto a clean, soft cloth or polishing pad.
- Apply the compound evenly across the surface using circular motions.
- Work in small sections to ensure thorough coverage.

3. **Polishing:**

- Continue to polish until a smooth, even finish is achieved.
- Use a clean, dry cloth to remove any excess compound from the surface.

4. **CleanUp:**

- Dispose of any used cloths or pads in accordance with local regulations.
- Clean tools used during application with water and soap.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local waste disposal regulations.
- Do not pour unused product down the drain or into water sources.

Contact Information for Further Support

For any safety inquiries or concerns regarding SATINGLO POLISHING COMPOUND 220 FORMAX, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective polishing experience.
