QUIET MUZZLE BRAKE 30 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the QUIET MUZZLE BRAKE 30 CALIBER by GENTRY CUSTOM. This product is designed to enhance your shooting experience by controlling muzzle blast and reducing recoil. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the muzzle brake is properly installed before use.
- Never point the firearm at anything you do not intend to shoot.
- Use appropriate eye and ear protection when shooting.
- Keep the firearm and muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for wear or damage.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the muzzle brake is compatible with your firearm.
- Only use the muzzle brake with firearms that are chambered in .30 caliber (.308).
- Do not exceed the recommended caliber specifications.
- Avoid using the muzzle brake in adverse weather conditions that may affect shooting safety.
- Be aware of your surroundings and ensure that the shooting area is safe.
- Follow all local laws and regulations regarding firearm use and accessories.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools, including a wrench suitable for 1/228 threads.
2. **Safety Check:** Confirm that your firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from your firearm.
4. **Clean Threads:** Clean the muzzle threads on your firearm to remove debris or old thread sealant.
5. **Install Muzzle Brake:**
 - Align the muzzle brake with the threads on the firearm.
 - Handtighten the muzzle brake to ensure proper alignment.
 - Use a wrench to securely tighten the muzzle brake, ensuring it is snug but not overtightened.
6. **Final Check:** Inspect the installation to ensure there is no gap between the muzzle brake and the firearm.

Usage

- Always perform a function check of your firearm after installation.
- When firing, maintain a proper shooting stance and grip.
- Monitor the behavior of the muzzle brake during use; if you notice any unusual sounds or movements, cease use immediately and inspect the device.
- Clean the muzzle brake regularly to maintain performance and longevity.

Disposal Instructions

- Dispose of the product according to local regulations regarding firearms and accessories.
- Do not dispose of the product in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the QUIET MUZZLE BRAKE 30 CALIBER, please refer to your local authorized dealer or manufacturer's website for additional support and information.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience. Thank you for choosing GENTRY CUSTOM.
