# Safety Instruction Guide for Adjustable Pad Plate by Graco Corp

## Introduction

Thank you for choosing the Adjustable Pad Plate from Graco Corp. This guide provides essential safety information to ensure the proper use and maintenance of the product. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Always follow the instructions provided in this guide to ensure safe use of the Adjustable Pad Plate.
- Ensure that the product is used only for its intended purpose as described in this manual.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact customer support.
- Keep the product out of reach of children and vulnerable individuals to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Adjustable Pad Plate is securely mounted before use to prevent accidents.
- Adjust the height, cast, and rotation only when the product is not in use.
- Do not exceed the recommended adjustments as specified in the product specifications.
- Use the provided mounting screws and hex wrenches for installation to ensure stability.
- Avoid using excessive force when making adjustments to prevent damage to the product.
- Always wear appropriate safety gear when handling firearms or related equipment.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools, including the provided hex wrenches and mounting screws.
2. **Positioning:** Select the desired position for the recoil pad, ensuring it aligns with your shooting needs.
3. **Mounting:**
  - Use the fifteen mounting holes to secure the recoil pad at the desired height and angle.
  - Tighten the screws firmly but avoid overtightening, which may damage the product.
4. **Adjustments:**
  - Use the eccentric cams to adjust the height, cast, and rotation as needed.
  - Lock the adjustments securely to maintain your settings.

### Usage

- Before using the Adjustable Pad Plate, ensure it is properly installed and adjusted to fit your needs.
- Regularly check the stability of the product during use and make adjustments if necessary.
- After use, store the product in a dry place to prevent corrosion and damage.

## Disposal Instructions

- Dispose of the Adjustable Pad Plate in accordance with local regulations for aluminum and metal waste.
- Ensure that any nonmetal parts are disposed of in an environmentally friendly manner.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support related to the Adjustable Pad Plate, please contact the manufacturer directly. Ensure you have your product details ready for a quicker response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
