

#350D ADJUSTABLE COMB HARDWARE - GRACO CORP #350D ADJUSTABLE COMB HARDWARE GOLD ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Adjustable Comb Hardware](#)

Lets the shooter infinitely adjust head placement to get best fit for any type of shooting . . . rifle position shooting, changing between scopes and iron sights, or using a shotgun for both field and trap shooting. Allows comb to adjust four ways: up, down, plus left and right. Comb height is adjusted by sleeves inlet into the cut-off top of the comb, and locked with set screws through side of stock. Left and right adjustment is provided by posts sliding in milled slots in the base plate and locked with set screws. Requires cutting of stock and bedding of plates and sleeves into stock. Stock cannot be returned to original condition. 350D features easy-to-see graduation marks for exact, repeat setting of left and right adjustment.

Safety Instruction Guide for #350D Adjustable Comb Hardware

Introduction

Thank you for purchasing the #350D Adjustable Comb Hardware by Graco Corp. This product allows for customizable head placement, enhancing your shooting experience across various firearms. To ensure your safety and the longevity of the product, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the #350D Adjustable Comb Hardware by following all instructions and guidelines provided. This product is designed for nonfood use and complies with EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the seller adheres to safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the EU-based contact information provided by the retailer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products, including this one.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper adjustment of the comb may lead to misalignment, affecting shooting accuracy.
 - Cutting the stock to install the comb may compromise the integrity of the firearm.
- **Avoiding Hazards:**
 - Always ensure that the comb is securely locked in place before use.
 - Regularly check the adjustment screws for tightness and stability.
 - Do not attempt to use the comb if it is damaged or if any components are missing.
- **Age-Specific Warnings:**
 - This product is designed for adult users only. It is not suitable for children or inexperienced shooters.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction before beginning the installation process.
- Gather all necessary tools, including a screwdriver and any additional items specified in the product packaging.

2. Installation:

- Carefully cut the stock of your firearm to accommodate the adjustable comb. Note that this modification is permanent and cannot be reversed.
- Inlet the sleeves into the cutoff top of the comb. Ensure they fit snugly.
- Secure the comb height using the set screws located on the side of the stock.
- Adjust the left and right positions by sliding the posts in the milled slots on the base plate. Lock the

position using the set screws.

3. Usage:

- Once installed, adjust the comb to your preferred height and position before each shooting session.
- Use the graduation marks on the comb for precise adjustments to ensure consistency in your shooting setup.
- Always doublecheck the tightness of all screws and adjustments before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use or has reached the end of its life, dispose of it responsibly. Check local guidelines for proper disposal methods for aluminum and other materials.

Contact Information for Further Support

For any questions or concerns regarding the #350D Adjustable Comb Hardware, please refer to the contact information provided by the retailer from whom you purchased the product.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your #350D Adjustable Comb Hardware. Thank you for choosing Graco Corp.
