

# AUTO ADJUSTABLE BUTT PLATE - GRACO CORP AUTO ADJUSTABLE BUTT PLATE SILVER ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Butt Plate Components](#)

Three-way adjustments for perfect gun fit, higher scores and improved shooting comfort. Base plate mounts to gun, your pad mounts to pad plate and the threaded tube provides a total of 1-1/8" in/out adjustment. Make full turns or stop the rotation anywhere in 360° and lock with the socket head set screws. Slotted top plate allows 1½" vertical adjustment. Slide a Breako Recoil Reducer into the tube for a neat, compact installation. Combine with Graco's Adjustable Comb Hardware to make your own "Try Stock".

# AUTO ADJUSTABLE BUTT PLATE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AUTO ADJUSTABLE BUTT PLATE by Graco Corp. This product is designed to enhance your shooting experience by providing a customizable fit. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is installed correctly to avoid any accidents during use.
- Regularly inspect the butt plate for any signs of wear or damage.
- Store the product in a safe place, away from children and vulnerable individuals.
- Always follow the manufacturer's instructions and guidelines for use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the butt plate only with compatible firearms as specified by the manufacturer.
- Avoid using the butt plate if it is damaged or if any components are missing.
- Ensure that the adjustments are securely locked before each use.
- Do not exceed the recommended adjustments; excessive force may lead to failure.
- Keep fingers and hands clear of moving parts during adjustments to prevent injury.
- Do not modify the butt plate in any way that could compromise its safety.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including a drill and appropriate drill bits.
- Ensure you have the correct size drill bit to create a 11/8" (28.6mm) hole in the stock.
- Position the base plate on the gun and mark the location for the attaching holes, ensuring they are 3¼" (82.5mm) centertocenter.
- Drill the holes carefully, following all safety precautions.
- Attach the base plate to the gun using the provided screws.
- Mount your pad to the pad plate and ensure it is securely fastened.
- Use the threaded tube to adjust the length, making full turns or stopping at any position within 360°.
- Lock the adjustments with the socket head set screws.

### 2. Usage:

- Adjust the slotted top plate for 1½" vertical adjustment as needed.
- If using a Breako Recoil Reducer, slide it into the tube for a compact installation.
- Combine with Graco's Adjustable Comb Hardware if desired for a custom "Try Stock" setup.
- Always check the stability and security of the butt plate before each shooting session.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste; consider recycling options if available.
- Ensure that any components that could pose a risk to children or animals are disposed of safely.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AUTO ADJUSTABLE BUTT PLATE.
