

HEAVY-DUTY STRAIGHT WIRE GUNSMITH BRUSHES - BROWNEllS GUNSMITH HEAVY DUTY BRUSH, NYLON, STRAIGHT, 1 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

Stainless Steel, Brass Or Nylon Bristles Stitched-In Wood Handle

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Available in three bristle materials to suit any job. Stainless Steel - Straight wire that gives a slightly softer scrubbing action but still holds its shape even with repeated use.

Excellent for scrubbing and degreasing parts in solvent prior to polishing and refinishing. Brass - Straight wire for a gentler action that still gets through built-up grease, oils and fouling. Nylon - Tough, black nylon provides no-scratch cleaning of surfaces and recesses. SPECS: All have: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long Overall Length: 7.76" (19.7cm)

Safety Instruction Guide

Introduction

Thank you for choosing the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES from BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to read and understand these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in gun cleaning and maintenance. Always follow the instructions to mitigate risks associated with improper use.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. Ensure you stay informed about any updates regarding product recalls.
- **Online Shopping Protections:** When purchasing online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Consumer Focus:** Special attention is given to vulnerable groups. Ensure that children are supervised and kept away from this product.
- **EU Contact Point:** For safety inquiries, always refer to the designated EUbased contact point for assistance.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Keep Out of Reach of Children:** The brushes contain small parts that may pose a choking hazard. Always supervise children around this product.
- **Use Appropriate Personal Protective Equipment (PPE):** When using the brushes, consider wearing safety goggles and gloves to protect against debris and chemicals.
- **Avoid Inhalation of Cleaning Agents:** Ensure proper ventilation when using solvents or cleaning agents alongside the brushes to avoid inhalation of harmful fumes.
- **Inspect Before Use:** Always check the brushes for any signs of damage or wear before use. Do not use if damaged.
- **Do Not Use on Live Firearms:** Ensure that firearms are unloaded and safe to handle before using the brushes for cleaning.
- **Follow Manufacturer Instructions:** Use the brushes as intended and follow all manufacturer guidelines for safe operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and wellventilated.
- Gather all necessary cleaning supplies, including solvents and protective gear.

2. Using the Brushes:

- Select the appropriate brush based on the material and cleaning task:
 - **Stainless Steel Brush:** For scrubbing and degreasing parts.
 - **Brass Brush:** For gentler cleaning of buildup grease and oils.
 - **Nylon Brush:** For scratchfree cleaning of surfaces.
- Hold the brush firmly by the handle and apply gentle pressure while scrubbing the desired area.
- Rinse the brush after use to remove any debris or cleaning agents.

3. Storage:

- After use, clean the brushes and store them in a dry place away from direct sunlight and moisture.
- Ensure that brushes are stored out of reach of children.

Disposal Instructions

- **Dispose of Responsibly:** When the brushes reach the end of their lifespan, dispose of them in accordance with local regulations.
- **Do Not Dispose in Regular Trash:** If applicable, check if the materials can be recycled or require special disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES, please refer to the designated EU contact point for assistance. Always ensure that you have the latest information regarding safety and product usage.

By following these guidelines, you can ensure a safe and effective experience with your HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES. Thank you for your attention to safety!
