

HEAVY-DUTY STRAIGHT WIRE GUNSMITH BRUSHES - BROWNELLS

GUNSMITH HEAVY DUTY BRUSH, NYLON, STRAIGHT, 6 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

Stainless Steel, Brass Or Nylon Bristles Stitched-In Wood Handle

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Available in three bristle materials to suit any job. Stainless Steel - Straight wire that gives a slightly softer scrubbing action but still holds its shape even with repeated use. Excellent for scrubbing and degreasing parts in solvent prior to polishing and refinishing. Brass - Straight wire for a gentler action that still gets through built-up grease, oils and fouling. Nylon - Tough, black nylon provides no-scratch cleaning of surfaces and recesses. SPECS: All have: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long Overall Length: 7.76" (19.7cm)

Safety Instruction Guide for HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES

Introduction

Thank you for choosing the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES by Brownells. This guide is designed to ensure your safe use of the product while providing essential safety information and instructions. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a cleaning tool for firearms.
- Always inspect the brushes before use for any signs of damage or wear.
- Keep the brushes out of reach of children and vulnerable individuals.
- Store the brushes in a safe, dry place when not in use.
- Do not use the brushes with any substances that may react negatively with the materials of the brushes.

Specific Safety Precautions for Use

- **Stainless Steel Brushes:**
 - Use with caution on softer materials to avoid scratches.
 - Ensure proper ventilation when using solvents during cleaning.
- **Brass Brushes:**
 - Ideal for gentler actions; do not apply excessive force to avoid bristle damage.
- **Nylon Brushes:**
 - Suitable for delicate surfaces; ensure the brush is clean to prevent transferring dirt or debris.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when cleaning firearms to protect against chemicals and debris.

Instructions for Installation and Usage

- **Using the Brushes:**
 1. Select the appropriate brush based on the material and cleaning requirements.
 2. Apply a suitable cleaning solvent to the area being cleaned.
 3. Gently scrub the area with the brush, using a backandforth motion.
 4. Rinse the area with clean solvent or water as necessary.
 5. Dry the area thoroughly before reassembling any firearm components.
- **Cleaning the Brushes:**
 - After use, rinse the brushes with solvent to remove any residue.
 - Allow the brushes to air dry completely before storing them.
- **Storage:**
 - Store the brushes in a protective case or holder to prevent damage to the bristles.
 - Keep away from excessive heat or moisture to maintain the integrity of the materials.

Disposal Instructions

- Dispose of any worn or damaged brushes in accordance with local waste disposal regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials; check local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or additional support regarding the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES, please refer to the manufacturer's contact details provided on the packaging or product insert.

By following these guidelines, you can ensure a safe and effective experience while using the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES. Always prioritize safety and proper usage to maintain the longevity of the product and your wellbeing.
