

HEAVY-DUTY CRIMPED WIRE GUNSMITH BRUSHES - BROWNELLS

GUNSMITH HEAVY DUTY BRUSH, SS WIRE, CRIMPLED, 1 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Stainless steel crimped wire that holds its shape well. Fantastic for parts washing and also an excellent choice for removing welding scale in tight corners (like bolt knob jobs!). SPECS: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long. Overall Length: 7.76" (19.7cm)

Safety Instruction Guide for HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES

Introduction

Thank you for choosing the HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES by BROWNELLS. This product is designed for effective cleaning and maintenance of firearms and other machinery. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you are using the product in accordance with all local regulations and guidelines.
- Always inspect the brushes before use for any signs of damage or wear.
- Keep the brushes out of reach of children and vulnerable individuals.
- Use the brushes in a wellventilated area to avoid inhalation of any particles or debris.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the brushes.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bristles are made of stainless steel and can cause injury if used improperly.
 - The brushes may shed bristles if used excessively, which can pose a choking hazard.
- **Avoiding Hazards:**
 - Do not use the brushes on live electrical components.
 - Avoid using excessive force when scrubbing to prevent damage to the brush and the surface being cleaned.
 - Do not use the brushes with solvents that are not compatible with stainless steel.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children. Keep out of reach of minors.

Instructions for Installation and Usage

- **Preparation:**
 - Before using the brush, ensure that the surface to be cleaned is free from large debris.
- **Usage Instructions:**
 - Hold the brush firmly by the handle.
 - Apply a suitable cleaning solvent to the area if necessary.
 - Use gentle, controlled strokes to clean the desired surface.
 - After use, clean the brush with a suitable solvent and allow it to dry completely before storage.
- **Storage:**
 - Store the brushes in a dry place, away from direct sunlight and moisture.
 - Ensure that the brushes are stored in a manner that prevents damage to the bristles.

Disposal Instructions

- Dispose of the brushes in accordance with local regulations for metal and plastic waste.
- Do not dispose of the brushes in regular household waste if they are damaged; check local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding the safety or use of this product, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for following these safety guidelines to ensure a safe and effective experience with your HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES.
