

# HEAVY-DUTY CRIMPED WIRE GUNSMITH BRUSHES - BROWNE~~L~~ GUNSMITH HEAVY DUTY BRUSH, SS WIRE, CRIMPED, 6 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Stainless steel crimped wire that holds its shape well. Fantastic for parts washing and also an excellent choice for removing welding scale in tight corners (like bolt knob jobs!).

SPECS: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long. Overall Length: 7.76" (19.7cm)

# Safety Instruction Guide for HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES

## Introduction

Thank you for choosing the HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the brushes.

## General Safety Guidelines

- Ensure that the brushes are used only for their intended purpose of cleaning and maintenance of firearms and related equipment.
- Always inspect the brushes before use. Do not use if damaged or if bristles are excessively worn.
- Keep the brushes out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.
- Report any unsafe product conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using the brushes on hot surfaces or while the firearm is in use.
- Do not apply excessive force when using the brushes to prevent bristle damage or personal injury.
- Use safety goggles and gloves when cleaning to protect your eyes and skin from debris and cleaning agents.
- Ensure proper ventilation when using cleaning solvents to avoid inhalation of harmful fumes.
- Do not use the brushes with flammable or corrosive materials.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary cleaning supplies and ensure a clean workspace.
- Wear protective gear such as gloves and goggles.

### • Using the Brushes:

- Hold the brush firmly by the handle.
- Insert the brush into the area to be cleaned, applying gentle pressure.
- Move the brush in a backandforth motion to effectively remove debris.
- For tight corners, use the brush carefully to avoid damaging surrounding surfaces.

### • PostUse Care:

- Clean the brushes after each use to remove any debris or cleaning agents.
- Store the brushes in a dry place, away from direct sunlight and moisture.
- Regularly check the brushes for wear and replace as necessary.

## Disposal Instructions

- Dispose of any damaged brushes in accordance with local waste disposal regulations.
- If the brushes are no longer usable, consider recycling them if possible.

## Contact Information for Further Support

For safety inquiries or additional support regarding the HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES, please reach out to the manufacturer or authorized distributor. They will provide you with the necessary assistance and information.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective cleaning experience with your HEAVYDUTY CRIMPED WIRE GUNSMITH BRUSHES.
