[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

## Beautifully Polished & Balanced

GUNSMITH'S BRASS HAMMER The Grace USA Gunsmith's Brass Hammers are precision-crafted tools designed to meet the demands of gunsmiths, firearm enthusiasts, and professionals who require reliability and care in their work. Proudly made in the USA, these hammers combine durability, precision, and balance, making them essential for various gunsmithing tasks. Key Features: Solid Brass Construction: The hammerheads are crafted from high-quality polished CDA 360 brass, providing non-marring performance, ideal for delicate firearm components. Ergonomic Hickory Handles: Each hammer is fitted with a properly seasoned, hand-turned hickory handle. These handles are designed to offer a comfortable grip, reduce user fatigue, and provide excellent control during intricate tasks. Multiple Sizes Available: Offered in a range of sizes, including 4 oz., 8 oz., and 16 oz., these hammers cater to a variety of applications, ensuring you have the right tool for both light and heavy-duty tasks. Precision Balance: Engineered for optimal weight distribution, these hammers deliver consistent and controlled strikes for professional results. Specifications: 4oz Hammer: Face Dimensions: 3/4" Length of Head: 2.25" Overall Hammer: 10.5" 8oz Hammer: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10" 8oz Hammer Wide: Face Dimensions: 3/4" Length of Head: 4" Overall Hammer: 10" 16oz Hammer: Face Dimensions: 1.25" Length of Head: 2.6" Overall Hammer: 10.5" Applications: The Grace USA Gunsmith's Brass Hammers are perfect for a wide array of gunsmithing applications, including driving pins, aligning parts, and performing firearm assembly or disassembly without damaging sensitive surfaces. Customer Feedback: Customers consistently praise the hammers' exceptional craftsmanship, reliability, and non-marring brass heads. Many users also highlight the ergonomic hickory handles, which make these tools comfortable to use for extended periods. Summary: The Grace USA Gunsmith's Brass Hammers are must-have tools for gunsmiths and firearm enthusiasts seeking precision and quality. With their durable construction and thoughtful design, these hammers provide the reliability needed for a variety of gunsmithing tasks, making them an invaluable addition to any toolkit.

# Safety Instruction Guide for Grace USA Gunsmith's Brass Hammer

## Introduction

Thank you for choosing the Grace USA Gunsmith's Brass Hammer. This product is designed for precision and reliability in gunsmithing tasks. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage precautions, and disposal instructions.

## General Safety Guidelines

- Always inspect the hammer before use to ensure it is in good condition.
- Use the hammer only for its intended purpose, which is for gunsmithing tasks.
- Keep the hammer away from children and vulnerable individuals.
- Store the hammer in a dry place to prevent damage.
- Report any unsafe conditions or incidents related to the hammer to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the hammer.
- Use the hammer with care to avoid striking sensitive parts of firearms that could be damaged.
- Maintain a firm grip on the hickory handle to ensure control during use.
- Avoid using excessive force; let the weight of the hammer do the work.
- Do not use the hammer on objects that are not intended for gunsmithing purposes.
- If the hammer shows signs of wear or damage, discontinue use immediately and replace it.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure your workspace is clean and organized.
  - Gather all necessary tools and materials for your gunsmithing task.
- **Using the Hammer:**
  - Hold the hammer by its hickory handle with both hands for better control.
  - Position the hammer head against the object you are working on, ensuring it is aligned correctly.
  - Swing the hammer gently, using a controlled motion to strike the target.
  - For delicate tasks, use lighter strikes to avoid damaging components.
- **PostUse Care:**
  - Clean the hammer after each use to remove any debris or residue.
  - Store the hammer in a safe location, away from moisture and direct sunlight.

## Disposal Instructions

- When disposing of the hammer, ensure it is done in an environmentally friendly manner.
- Check local regulations for proper disposal methods of metal tools.
- If the hammer is damaged beyond repair, consider recycling it at a designated facility.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Grace USA Gunsmith's Brass Hammer, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective experience using the Grace USA Gunsmith's Brass Hammer. Thank you for prioritizing safety in your gunsmithing endeavors!
