[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

## Beautifully Polished & Balanced

GUNSMITH'S BRASS HAMMER The Grace USA Gunsmith's Brass Hammers are precision-crafted tools designed to meet the demands of gunsmiths, firearm enthusiasts, and professionals who require reliability and care in their work. Proudly made in the USA, these hammers combine durability, precision, and balance, making them essential for various gunsmithing tasks. Key Features: Solid Brass Construction: The hammerheads are crafted from high-quality polished CDA 360 brass, providing non-marring performance, ideal for delicate firearm components. Ergonomic Hickory Handles: Each hammer is fitted with a properly seasoned, hand-turned hickory handle. These handles are designed to offer a comfortable grip, reduce user fatigue, and provide excellent control during intricate tasks. Multiple Sizes Available: Offered in a range of sizes, including 4 oz., 8 oz., and 16 oz., these hammers cater to a variety of applications, ensuring you have the right tool for both light and heavy-duty tasks. Precision Balance: Engineered for optimal weight distribution, these hammers deliver consistent and controlled strikes for professional results. Specifications: 4oz Hammer: Face Dimensions: 3/4" Length of Head: 2.25" Overall Hammer: 10.5" 8oz Hammer: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10" 8oz Hammer Wide: Face Dimensions: 3/4" Length of Head: 4" Overall Hammer: 10" 16oz Hammer: Face Dimensions: 1.25" Length of Head: 2.6" Overall Hammer: 10.5" Applications: The Grace USA Gunsmith's Brass Hammers are perfect for a wide array of gunsmithing applications, including driving pins, aligning parts, and performing firearm assembly or disassembly without damaging sensitive surfaces. Customer Feedback: Customers consistently praise the hammers' exceptional craftsmanship, reliability, and non-marring brass heads. Many users also highlight the ergonomic hickory handles, which make these tools comfortable to use for extended periods. Summary: The Grace USA Gunsmith's Brass Hammers are must-have tools for gunsmiths and firearm enthusiasts seeking precision and quality. With their durable construction and thoughtful design, these hammers provide the reliability needed for a variety of gunsmithing tasks, making them an invaluable addition to any toolkit.

# GUNSMITH'S BRASS HAMMER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Grace USA Gunsmith's Brass Hammer. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the hammer to avoid any potential hazards.

## General Safety Guidelines

- Always use the hammer for its intended purpose. Misuse can lead to accidents and injuries.
- Inspect the hammer before each use. Ensure that there are no visible signs of damage or wear.
- Keep the hammer out of reach of children and vulnerable individuals.
- Store the hammer in a dry place to prevent corrosion and maintain its quality.
- Do not use the hammer on surfaces that are not suitable for brass tools, as this may cause damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles, to protect your eyes from flying debris.
- Ensure that the work area is clean and free from any obstacles that could cause tripping or falling.
- Use the hammer in a welllit area to improve visibility and accuracy during use.
- Avoid using excessive force when striking; let the weight of the hammer do the work.
- Do not strike the hammer against hard surfaces that may cause it to chip or break.
- Be cautious when aligning parts or driving pins; ensure your hands are clear of the striking area.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for your gunsmithing task.
- Ensure that the work surface is stable and secure.

### 2. Using the Hammer:

- Hold the hammer by the hickory handle with a firm grip.
- Position the hammerhead correctly over the area you wish to strike.
- Swing the hammer gently and steadily, allowing the weight to drive the impact.
- Avoid any lateral movements that could lead to misalignment or injury.

### 3. After Use:

- Clean the hammer after each use to remove any debris or residue.
- Store the hammer in a protective case or designated area to prevent damage.

## Disposal Instructions

- Dispose of the hammer responsibly according to local regulations.
- If the hammer is damaged beyond repair, consider recycling the brass components where possible.
- Do not dispose of the hammer in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please consult the manufacturer's contact information provided on the product packaging or visit the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Grace USA Gunsmith's Brass Hammer.
