# Safety Instruction Guide for BRASS PUNCH SET GRACE USA 5/16" (7.9MM) BRASS PIN PUNCH

## Introduction

Thank you for choosing the BRASS PUNCH SET GRACE USA. This product is designed for drifting sights, driving pins, and fitting parts. Proper use and handling of this tool are essential to ensure safety and effectiveness. This guide provides essential safety instructions and guidelines to help you use the product safely and responsibly.

## General Safety Guidelines

- Always read the safety instructions before using the product.
- Ensure that the work area is clean, dry, and welllit.
- Keep the tool out of reach of children and pets.
- Inspect the punches for damage before each use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Store the punch set in a safe location to prevent accidental injury.
- Follow all local regulations and guidelines for tool usage and disposal.

## Specific Safety Precautions for Use

- Avoid using the punch set on hard surfaces that may cause the tool to chip or break.
- Do not apply excessive force when using the punches; this may lead to tool failure.
- Ensure that you are using the correct size punch for the job to prevent damage to the workpiece or the tool.
- Use the punches for their intended purpose only. Do not improvise or use them inappropriately.
- If you experience any discomfort or pain while using the tool, stop immediately and assess your technique.
- Always secure the workpiece before using the punch to prevent movement during operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the work area is organized and free from distractions.

### 2. Choosing the Right Punch:

- Select the appropriate punch size from the set: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", or 5/16".

### 3. Using the Punch:

- Position the punch on the desired location of the workpiece.
- Hold the punch firmly and strike the end with a hammer or mallet to drive the punch into the material.
- Ensure that your hands are clear of the striking area to avoid injury.

### 4. After Use:

- Clean the punches after each use to remove any debris or residue.
- Store the punch set in a dry place, preferably in its original packaging or a designated storage container.

## **Disposal Instructions**

- Dispose of any damaged or wornout punches in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent potential hazards to others.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the BRASS PUNCH SET GRACE USA, please contact the appropriate EUbased customer service or support center. Check the product packaging or documentation for contact details specific to your region.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
