PISTOLSMITH SCREWDRIVER SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Pistolsmith Screwdriver Set by Grace USA. This set is designed for precision use in firearms maintenance and repair. To ensure safe usage and optimal performance, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the screwdrivers for their intended purpose.
- Keep the screwdrivers out of reach of children and vulnerable individuals.
- Inspect the screwdrivers before use for any signs of damage or wear.
- Use the screwdrivers on properly secured firearm components only.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the screwdrivers.
- Do not use excessive force when turning screws to avoid stripping or damaging the screw heads.
- Store the screwdrivers in a safe, dry place to prevent damage and maintain their condition.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and secure before attempting any maintenance or repairs.
- Use the correct size screwdriver for each screw to prevent slipping and injury.
- Avoid using screwdrivers on screws that show signs of rust or corrosion, as this may require professional assistance.
- Do not modify the screwdrivers in any way, as this may compromise their safety and effectiveness.
- If a screwdriver tip becomes damaged or worn, discontinue use and replace it.

Instructions for Installation and Usage

1. Selecting the Right Screwdriver:

- Choose the appropriate screwdriver from the set based on the dimensions provided:
 - P1: .080" x .022" x 4.75"
 - P2: .120" x .025" x 5.5"
 - P3: .125" x .028" x 6.25"
 - P4: .150" x .031" x 6.25"
 - P5: .200" x .025" x 6.25"
 - P6: .175" x .037" x 7.5"
 - P7: .230" x .043" x 8.5"

2. Using the Screwdriver:

- Align the screwdriver tip with the screw head.
- Apply gentle pressure and turn the screwdriver clockwise to tighten or counterclockwise to loosen.
- If resistance is felt, stop and reassess to avoid damaging the screw or screwdriver.

3. PostUse Care:

- Wipe the screwdriver tips clean after use to remove any debris or moisture.
- Store the screwdrivers in their designated holder or case to prevent damage.

Disposal Instructions

- Dispose of damaged or worn screwdrivers in accordance with local regulations.
- If the screwdrivers are no longer usable, consider recycling them if possible.
- Do not dispose of the screwdrivers in regular household waste if they can be recycled.

Contact Information for Further Support

For safety inquiries or product support, please refer to the manufacturer's contact details provided on the packaging or accompanying documentation.

Thank you for prioritizing safety while using the Pistolsmith Screwdriver Set. By following these guidelines, you contribute to a safer environment for yourself and others.
