# NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER User Safety Instructions

## Introduction

Thank you for choosing the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER by GUNLINE. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to avoid injury and ensure the best performance from your cutter.

## General Safety Guidelines

- Always use the cutter as intended and according to the instructions provided.
- Keep the cutter out of reach of children and vulnerable individuals.
- Inspect the cutter before use for any signs of damage or wear. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the cutter.
- Ensure the work area is welllit, clean, and free from clutter to minimize the risk of accidents.
- Do not use the cutter for purposes other than those specified in this guide.
- Be aware of your surroundings and avoid distractions while using the cutter.

## Specific Safety Precautions for Use

- Use the cutter only on suitable materials as specified in the product description.
- Maintain a firm grip on the cutter while in use to prevent slips and loss of control.
- Avoid placing your hands or any body parts near the cutting edge during operation.
- Do not attempt to modify or repair the cutter yourself. Contact a qualified service provider for repairs.
- Store the cutter in a safe and secure location when not in use, ensuring that it is not accessible to children.
- If the cutter becomes dull or ineffective, replace it immediately to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the work surface is stable and secure.
- Gather all necessary tools and PPE before starting.

### 2. Installation:

- Follow the manufacturer's instructions for attaching the cutter to the desired tool or holder.
- Ensure all connections are tight and secure before use.

### 3. Usage:

- Hold the cutter firmly with both hands, keeping fingers clear of the cutting area.
- Position the cutter at the desired angle (60° or 90°) based on your project requirements.
- Apply steady pressure while cutting, allowing the cutter to do the work without forcing it.
- If you experience resistance, stop and check for obstructions or damage before proceeding.

### 4. PostUse:

- Clean the cutter after each use to remove any debris or residue.
- Store the cutter safely in its designated place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the cutter responsibly according to local regulations.
- If the cutter is damaged beyond repair, ensure that it is disposed of in a manner that prevents injury to others.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER, please reach out to your local GUNLINE distributor or visit the GUNLINE website for further assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER. Stay informed about safety recalls and updates through the EU Safety Gate platform, and report any unsafe products or incidents to the appropriate authorities. Thank you for prioritizing safety!
