Safety Instruction Guide for NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER

Introduction

Thank you for choosing the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER from GUNLINE. This guide provides essential safety instructions to ensure the proper use and handling of this product. Please read the entire manual carefully before using the cutter to ensure safety and compliance with EU regulations.

General Safety Guidelines

- Always use the cutter in accordance with the intended purpose as described in this manual.
- Keep the cutter out of reach of children and unauthorized users.
- Inspect the cutter before each use to ensure it is in good condition and free from damage.
- Do not attempt to modify or repair the cutter yourself. Contact a professional if repairs are needed.
- Ensure that you are using the cutter in a welllit area to avoid accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the cutter.

Specific Safety Precautions for Use

- Use the cutter only on materials for which it is designed. Avoid using it on hard surfaces that could damage the blade.
- Be cautious of sharp edges. Always handle the cutter with care to prevent cuts or injuries.
- Do not place your fingers near the cutting area while in use.
- Ensure that the workpiece is securely held in place to prevent slipping during cutting.
- Avoid distractions while using the cutter to maintain focus on the task at hand.
- If you experience any discomfort or unusual sensations while using the cutter, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Remove the cutter from its packaging and inspect it for any visible damage.
- Ensure that the cutter is clean and dry before use.
- If applicable, attach the cutter to the appropriate tool or holder as per the manufacturer's instructions.

2. Usage:

- Hold the cutter firmly with both hands for better control.
- Position the cutter at the desired angle (60° or 90°) depending on the task.
- Apply gentle pressure while cutting to achieve the desired finish without forcing the cutter.
- After completing the cutting task, carefully retract the cutter or store it in a safe location.

Disposal Instructions

- Dispose of the cutter in accordance with local regulations regarding waste disposal.
- If the cutter is damaged or no longer usable, ensure that it is disposed of in a manner that prevents injury to others.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the NO. PL60 & PL90 POINTERLONG REPLACEMENT CUTTER. Always prioritize safety and adhere to the guidelines outlined in this manual. Thank you for your attention to these important safety measures.
