NO. S3 THREEEDGE SPACER REPLACEMENT CUTTERS GUNLINE 28 LPI Safety Instruction Guide

Introduction

Thank you for choosing the NO. S3 ThreeEdge Spacer Replacement Cutters by GUNLINE. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all sections carefully before using the product.

General Safety Guidelines

- Always ensure that the workspace is clean and free from any obstructions before using the cutters.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the cutters only for their intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the cutters.
- In case of an emergency, seek medical attention immediately if injuries occur.

Specific Safety Precautions for Use

- Ensure the cutter is securely attached to the tool before starting any work.
- Avoid applying excessive force when using the cutters to prevent breakage or injury.
- Do not exceed the recommended operating angle of 60° to maintain control and precision.
- Always cut away from your body to minimize the risk of injury.
- Do not use the cutters in wet or damp conditions to avoid slips and falls.
- Ensure that the workpiece is stable and secure before cutting.

Instructions for Installation and Usage

1. Installation:

- Ensure that the tool is powered off and unplugged before installation.
- Attach the NO. S3 cutters to your tool according to the manufacturer's instructions.
- Check that the cutters are firmly secured and aligned properly.

2. Usage:

- Select the groove you wish to cut. You may choose to space two grooves at a time for greater speed or one groove at a time for accuracy.
- Adjust the tool to the desired cutting angle of 60°.
- Begin cutting by applying steady pressure and following the marked lines on the workpiece.
- After completing the cut, turn off the tool and carefully remove the cutters.

Disposal Instructions

- Dispose of the cutters in accordance with local regulations regarding electronic waste and sharp objects.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area for materials that can be reused.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate EU contact point or your local authorities. It is important to stay informed about product recalls and safety updates.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the NO. S3 ThreeEdge Spacer Replacement Cutters. Always prioritize safety and stay informed about best practices for using this product. Thank you for your attention and safe cutting!
