# NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS GUNLINE 18 LPI Safety Instructions

## Introduction

Thank you for choosing the NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS by GUNLINE. This product is designed to provide safe and effective cutting for your projects. Please read and follow these safety instructions carefully to ensure proper usage and to minimize any risks associated with its use.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the workspace is clean and free from any hazards before beginning work.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and replace it.

## Specific Safety Precautions for Use

- Handle the cutter with care to avoid cuts or injuries.
- Always use protective gear such as gloves and safety goggles when operating the cutter.
- Ensure that the cutting surface is stable and secure before making any cuts.
- Do not apply excessive force while cutting; let the tool do the work.
- Keep hands and fingers away from the cutting edge during operation.
- Be cautious of debris that may be produced during cutting; ensure proper cleanup after use.

## Instructions for Installation and Usage

### Installation

1. Ensure the cutter is in a safe and stable position before installation.
2. Follow the manufacturer's guidelines for attaching the cutter to your tool or workspace.
3. Ensure all components are securely fastened before use.

### Usage

1. **Direction of Cut:** The cutter is reversible and can be used to cut in either the right or left direction.
2. **Angle of Cut:** The cutter operates at a 60° angle; ensure that the material is positioned appropriately to achieve the desired cut.
3. **Cutting Process:**
  - Begin cutting at the starting edge of the material.
  - Maintain a steady pace and pressure while cutting.
  - After completing the cut, carefully remove the cutter from the material.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter in regular household waste.
- If the product is no longer usable, ensure it is recycled or disposed of in a safe manner to prevent injury.

## Contact Information for Further Support

For any questions or concerns regarding the NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS, please refer to

the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure safe and effective use of the NO. SD TWOEDGE SPACER REPLACEMENT CUTTERS. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
